NURSERY

Established in 1950, previously known as Visa Oshwal Nursery School, Oshwal Academy Nairobi Nursery is located in parklands on the Wambugu Road. The school has a diverse population incorporating many different cultures, religions and languages. The differences enrich the community and the leaning that takes place here. The school provides a caring and structured environment where children's enthusiasm is fostered. We recognize that children have individual needs and talents and that each child can achieve and should have the opportunity to celebrate his/her achievements .

PRIMARY

Oshwal Academy Nairobi, Primary Campus previously Oshwal Jain Primary School was established in May, 1978 as a school of high vision by the Oshwal Education & Relief Board. Over the years it has grown in size and strength to live up to the expectation of its founder members. The school provides a broad based education that will enable students to achieve their academic, personal and social potential within a stimulating and caring environment.

JUNIOR HIGH

The school was established in 1963 as Oshwal Boys Secondary School, before it became known as Oshwal High School and now known as Oshwal Academy Nairobi -Junior High from September 2006. Situated on 1st Avenue Parklands, the school offers the IGCSE curriculum from Year 7 to Year 11 to both Boys and Girls of various Culture and Nationalities. Our excellence and innovation in delivering quality and distinctive education matches the imposing buildings and impressive facilities.

SENIOR HIGH

Established in 1959 as a community school and previously known as Visa Oshwal Girls' School, subsequently as Visa Oshwal Secondary School and currently known as Oshwal Academy Nairobi Senior High, the school has developed into a renowned centre of excellence. Today the school boasts of being the largest purely A Level school in Kenya offering a wide variety of subjects in a friendly and conducive surroundings to create a challenging atmosphere for today's comprehensive and competitive learning. .

OSHWAL ACADEMY MOMBASA

In the late 1960s, the OERB recognized the demand for a secondary school in Mombasa, leading to the establishment of Oshwal Academy Mombasa on Mombasa Island in 1968. The Academy expanded in 1981 with the addition of a Primary School, which operated within the Senior School premises until moving to its own location in 1984. As the school's popularity grew, the need for a larger, state-of-the-art campus became clear. In response, OERB constructed a modern facility on a 14-acre site in the serene, green surroundings of Nyali. In 2004, Oshwal Academy Mombasa opened its doors at this location, providing an enhanced learning environment for students across all divisions: Kindergarten, Junior, Senior, and Sixth Form.

OSHWAL COLLEGE

Oshwal College is a post-modern tertiary institution located in a serene environment on its own grounds on 2nd Avenue, Parklands, Nairobi. Established in 1992, it is the flagship institution among the many schools operated by the Oshwal Education and Relief Board (OERB), a charitable organization dedicated to advancing education in Kenya. Oshwal College has successfully built and maintained strong ties and relationships with key corporate partners. This has enhanced students' industry awareness and provided student scholarships, sponsorships, internships and job placements. In 2025, the College is marking 33 years of academic excellence, celebrating its long-standing commitment to quality education.

Ethos and Philosophy of Education at Oshwal Academy Nairobi

Whilst the focus of education at the Academy is Academic excellence and this is given the top priority, the school also believes that it has a greater purpose beyond preparing the young people for college and university. The academy also strives to prepare its students for life.

To this end, we strive:-

- To create an environment that is enjoyable, and provide rigorous, stimulating and challenging curriculum.
- To encourage enquiring minds and a lifelong interest in learning.
- To promote an understanding community in which all members are respected and their talents and achievements celebrated.
- To offer a wide range of activities both inside and outside the classroom that allow the children to develop their physical, spiritual and social skills in a positive environment.
- To treat every child as an individual and teachers are aware of the child's needs in both academic and non-academic terms.
- To ensure that every child is nurtured and made to feel that his/her individual contribution is a valued part of the whole.
- To teach values that give children a firm moral grounding in what is becoming an increasingly value-free world.
- To place emphasis on manners, courtesy and respect as part of the core value system of the school.
- To encourage team spirit and growth of individuals to achieve challenging goals.
- To gain a strong Oshwal identity which fosters success and the high self-esteem of both staff and students

He was a valued member of our team since October 1994.
May his soul rest in eternal peace.

Message From Academic Consultant's

"The beautiful thing about learning is that no one can take it away from you."

It is with immense joy and pride that I pen this message for an institution that has stood the test of time and stood tall as a trusted pillar in the academic journey of individuals as they passed through its hallowed corridors of time to fulfil their dreams and aspirations.
As we step confidently into 2026, our commitment remains unwavering to empower every dream of our learners and open doors to opportunities provided by this great institution of higher learning anywhere in the world.

Over the years this great institution has fine tuned a learning system that has been envied and benchmarked across the country for many decades.

The Academy is a testament to the creativity and brilliance of our students; the dedication of our faculty and the unwavering support of our parents' body - Oshwal Education and Relief Board. The institution has transformed numerous lives and become a beacon of excellence and wisdom.

Our esteemed alumni are the living embodiments of the legacy we hold dear. Your achievements inspire us and stand as a testament to the values of this great institution.
The world around us is evolving and the challenges we face demand courage, resilience and adaptability.

Let us look to the future with hope and new aspirations.

I am indeed proud and honoured to helm this great institution as we present to you this almanac portraying the past and the future that is ahead.

Mrs. Jyotsna Chotai

Academic Consultant

HEAD'S MESSAGE

Dear Community of Oshwal Academy,

Greetings,

It gives me a great pleasure to welcome you to this special edition of our school magazine — a joyful reflection of the heart and soul of Oshwal Academy Nairobi Nursery.

"Learning knows no age- when fun and play lead the way, every moment at school becomes a chance to grow, explore, and thrive."

Each page is a celebration of our learners' vibrant journey through a rich and engaging early years curriculum, thoughtfully designed to meet their developmental needs and spark a lifelong love for learning. At Oshwal, we believe that education is not confined to the classroom. Our learners thrive in happy, child-friendly spaces and through beyond-the-classroom experiences such as cooking, sensory play, excursions, and real-world explorations that make learning truly come alive.

Our "do-it-and-learn" approach nurtures independence, creativity, and confidence in even the youngest of learners.

With a strong focus on positive behaviour modification practices, we guide children to make good choices, build empathy, and develop strong character from the very start — essential traits for proactive and responsible future citizens.

"Every parent dreams of a school where their child feels happy, loved, safe, and inspired to learn- because true education begins with care and comfort."

Safety, care, and holistic development are at the core of everything we do. With a passionate team and a warm, supportive environment, we prepare every child not just for school, but for life. We take great pride in saying that every Oshwal learner leaves us super ready for the future — confident, capable, and kind.

We hope this edition brings you insight, inspiration, and a few smiles along the way.

HEAD'S MESSAGE

As curtains fall on the Academic year 2024-2025, I am very proud of all our achievements this year. As a School our focus has always been on developing the 'whole child' who is creative, thinking, acting and engaging in a meaningful manner.

At Oshwal Academy Nairobi Primary, we aim to provide broad and balanced education within a happy, healthy and stimulating environment. We encourage each child to be curious and think out of the box. We have excellent teachers, assistant teachers, administrative staff and support staff who work as a very close team. Our parent body the OE&RB plays an essential role in the development and success of the school. Parents also work with us in partnership and the help teachers in this journey of the developing the "whole child'.

We also have a culture to celebrate childrens'achievements and motivate them to do better. As you skim through the pages you will see the many accolades our learners have received in their day to day activities. It may be a simple but honorable value like 'The most helpful child'....to see the joy and pride on every pupil's face is endearing. Appreciating children for all their small and big achievements is an infallible way to boost their confidence and self-esteem. As the famous quote goes ...With confidence you have won before you have started...We believe that if children have their buckets of self-esteem full, they will grow more confident, will be able to achieve the most and yet remain humble and learn to become stronger during setbacks. High quality Education and rearing creates a balance and develops a natural coping mechanism in young children.

'I cannot teach anybody anything: I can only make them think '– Socrates

A special congratulations to our year 6 students for an outstanding performance in the recently released Checkpoint examinations results. As a school we are so proud of our year 6s for raising the flag higher. The results of this year Checkpoint series were the best so far. In English our learners secured an average of 38 out of 50 compared to an International average of 33 out of 50. In Mathematics they secured an average of 39 out of 50 against an International average of 31 out of 50. In Science our school secured an average of 42 out of 50 against an international average of 31 out of 50. Congratulations to our year 6 students and teachers for their remarkable achievement.

Another facet of supporting our learners is creating an environment that is conducive to different types of learning. The number of opportunities our learners get to learn new skills, are what makes the school so exciting and develops happiness in learners. It is an absolute pleasure to see children who are happy and excited to be in school every day. Our field trips, activities, inter school and intra school events, fun trips and overnight camps create opportunities for hands on learning experience and inculcate skills like team work, problem solving skills, citizenship and many more.

To be able to develop a 'whole child' in today's context needs a good team that is child sensitive and willing to go an extra mile. And at school that is where our teachers' roles become critical. Also the great team work that we have developed over years of understanding and working together is a feather in our cap. Our pupils and our teachers are our greatest asset. I humbly take this opportunity to thank the great service done by our teachers, admin staff, and support staff. Also a big thank you to our Academic Consultant Mrs Jyotsna Chotai , Primary Committee and the OERB for the guidance and selfless service.

I also take this opportunity to thank all parents for your unwavering trust and support through the year! God bless you all!

Together we look forward to building stronger footing in our learners!

Head's Message

As we close the curtain on yet another extraordinary academic year at Oshwal Academy Nairobi – Junior High, it gives me great pride and joy to reflect on the vibrant journey we've shared in 2024/2025. This yearbook is more than just pages bound together – it is a vivid, heartwarming, and colourful tapestry of memories, milestones, friendships, laughter, and growth. Within these pages lie the beating heart of Junior High – our students, our teachers, and our ever-supportive parents.

Oshwal Academy has long been synonymous with academic excellence, and this year was no exception. Our rigorous academic programme has continued to challenge, inspire, and equip students with critical thinking, creativity, and a lifelong love for learning. However, what truly sets our school apart is the exhilarating co-curricular life that complements and enhances the learning experience – a life we proudly showcase in this yearbook.

This year, our Annual Sports Day exploded with energy and school spirit, igniting houses in healthy competition and camaraderie. The Annual Cross Country saw students dash with determination through nature's trails at Karura Forest, embodying endurance and perseverance. The Annual Music and Dance Show was a dazzling spectacle of rhythm and talent, while the Music Recital offered an enchanting evening of melodies that lingered long after the final note. Our Public Speaking and Spelling Bee Competitions were arenas of wit, courage, and articulate expression, shining a spotlight on our students' growing confidence.

We have celebrated the brilliance of our clubs and societies, each offering platforms for self-expression, innovation, and shared interests. From the insightful discussions in our Model United Nations Conferences – both the Middle School and East African forums – to the rigorous creativity showcased during the Annual School Play, our learners have truly embodied the spirit of global citizenship, teamwork, and critical thought. Not to be forgotten are the memorable pastoral and academic trips, the thought-provoking World Environmental Day activities, and the spirited Swimming Gala and Sports Trivia, each creating unforgettable chapters in our school life.

As you flip through these pages – each filled with beaming smiles, touching moments, and captivating achievements – take a moment to reflect on your own journey. Think about how far you've come, not just in the classroom, but on the stage, on the field, in the debate hall, and beyond. At Oshwal Academy Nairobi - Junior High, we nurture not just scholars, but well-rounded individuals. A robust co-curricular portfolio doesn't just make for a fulfilling school experience – it opens doors to scholarships, universities, and exciting careers in the future.

Junior High is truly a delightful blend of purposeful seriousness and joyful fun. It is this dynamic spirit that breathes life into our corridors and makes our campus a place where dreams are crafted, pursued, and realized.

I extend my heartfelt gratitude to our dear parents for your unwavering trust and support throughout this academic year. To our phenomenal teaching and non-teaching staff, thank you for your resilience, devotion, and unrelenting commitment to shaping young minds. To our students – you have amazed us with your hard work, discipline, creativity, and boundless enthusiasm. We are immensely proud of each one of you.

A special note of appreciation goes to our Academic Consultant for her valuable mentorship, and to the Oshwal Education and Relief Board office bearers for their forward-thinking leadership and for ensuring we are always equipped with the tools and resources to offer a world-class education.

As we look forward to the next academic year, we eagerly await the return of our students and extend a warm welcome to our incoming Year Seven cohort. To our departing Year Eleven students – after five memorable years, we bid you farewell with full hearts and immense pride. May you carry the Oshwal spirit wherever you go, and may success and happiness follow you in all your future endeavours.

Here's to a year well lived and cherished. May this yearbook serve as a keepsake of the beautiful mosaic that is Oshwal Academy Nairobi - Junior High – a place where excellence meets experience, and dreams take flight.

Head's Message

"At the end of the day, we can endure much more than we think we can." – Frida Kahlo.

This quote resonates deeply with me as I reflect on the past year at Senior High. As we celebrate the end of another amazing year we have had at Senior High, I am filled with a sense of pride and gratitude. The journey we have embarked upon as a school community has been truly remarkable. The past year has been a testament to the power of collective strength and determination that defines our school values. We have navigated challenges with resilience and our collective efforts have yielded outstanding results and the achievements we have made are a shining testament to what we can accomplish together.

At Senior High, we have cultivated a culture that values academic excellence, creativity and character. From the academic achievements to the thrill of extra-curricular activities, we have created a vibrant environment that fosters growth and friendship. Each day, our students demonstrate the strength of their character, the depth of their curiosity, and the power of their determination. They have demonstrated passion for learning and commitment to making a positive impact. These qualities make Senior High genuinely extraordinary.

To our students - This yearbook is more than just a collection of pages – it's a time capsule. We will look at this yearbook after a decade and think of all the memories, mistakes, lessons, friendships and laughter you experienced. As you flip through it, remember that every experience has helped shape who you are today. You have grown and achieved so much and as you prepare to spread your wings beyond these familiar grounds, remember that you carry with you not just academic prowess but also the values of integrity, empathy and perseverance instilled within the walls of Senior High.

I would like to extend my heartfelt appreciation to our teachers. Their tireless efforts and guidance have illuminated our students' paths to success. To our parents, your partnership has been the bedrock of our achievements. Thank you all.

And finally, to our students, your passion, resilience, and enthusiasm exemplify the very essence of our school's spirit. This chapter of your school lives may be closing here but the opportunities that will come in your way in life are boundless. Go forth with confidence and a heart full of aspirations. We look forward to see you reaching new heights and the growth you will achieve in the years ahead. We wish you the very best.

Thank you all for being part of this incredible journey. The year ended with lots of memories of academic work, challenges, and fun.

Enjoy the visuals below and feel the energy of our teachers and students in school. May the coming years be filled with opportunities, growth, and endless possibilities.

Head's Message

As the 2024–2025 academic year draws to a close at Oshwal Academy Mombasa, we take this opportunity to reflect on what has been a vibrant, rewarding, and eventful year. It has been a year marked by exceptional effort, dedication, and achievement from both our students and staff. As we head into the well-deserved holiday break, we commend every member of our school community for their contributions throughout the year.

At Oshwal Academy Mombasa, we remain steadfast in our mission: to inspire learners to reach beyond their perceived limits and to nurture each individual's potential. We strive to cultivate an environment where high-quality teaching, rich and engaging learning experiences, and a broad curriculum support the development of well-rounded learners equipped for the challenges of an ever-evolving world.

OAM continues to be a unique learning space—one where we believe success has no limits. Barriers are viewed as surmountable challenges, overcome through the power of support, resilience, positive mindset, and determination. Our core values—Teamwork and Collaboration, Responsibility and Trust, Creativity and Innovation, Diversity and Empathy—remain central to our collective growth and success.

This academic year has been filled with remarkable milestones:

- Enriching educational trips and hosting esteemed guests during the President's Award Regional Conference.
- Participation in the World Scholars Cup through to the global level.
- Excellent Checkpoint Examination results.
- Engaging class assemblies, sports tournaments, music festivals, and a robust pastoral programme that has nurtured emotional intelligence and empathy.
- And of course, the continued delivery of a rigorous and holistic curriculum.

We are especially proud of the many opportunities our learners have had to perform, lead, and shine throughout the year—and we look forward to even greater achievements in the year ahead. I wish to extend my heartfelt gratitude to our dedicated staff, whose tireless commitment and professionalism continue to drive the high standards of education at OAM. To our students, thank you for your resilience, hard work, and eagerness to grow. And to our parents, we deeply appreciate your unwavering support, trust, and collaborative spirit. You have been instrumental in making this year a success.

Wishing you all a restful and fulfilling break.

Head's Message

I extend my heartfelt appreciation to our students, parents, guardians, sponsors, and devoted staff for their steadfast support over the past two semesters. Your dedication and collective efforts have played a vital role in advancing the progress we continue to achieve as an institution.

Over the past two semesters, our students have demonstrated remarkable dedication and academic brilliance across all programmes offered at the College. Their outstanding performance has not only set new internal benchmarks but has also received recognition on both national and international levels. We are immensely proud of the many students who emerged as top achievers in professional qualifications such as ACCA, ABE, CHRP, and BTEC. Similarly, numerous students in our UK degree programmes attained first-class honours, further reinforcing our unwavering commitment to academic excellence.

As part of its expanding programme portfolio, Oshwal College received approval from the British Council to operate as an official IELTS Registration and Training Centre. Beginning in the July–December 2024 Semester, the College began registering students and providing structured training for those preparing to undertake the IELTS examinations. These exams are essential for individuals seeking to pursue higher education or professional careers abroad, as they assess the English language proficiency required in international academic and workplace environments. During the same period, the College hosted a wide spectrum of extracurricular activities aimed at fostering student engagement and well-being. These activities included friendly and competitive football matches, indoor games, talent shows, cultural events, conferences, educational and recreational trips, and a host of club-led events— each tailored to promote all round development.

As we plan for the semesters ahead, the College will remain steadfast in its support of such initiatives, continuing to provide vibrant platforms that encourage active student participation. These experiences are integral to our mission of delivering a holistic education that nurtures intellect, character, and community spirit.

Team Oshwal experienced a remarkable glow-up during this period! We brought our staff together for transformative training sessions covering emotional intelligence, effective communication, leadership, conflict resolution, customer service and trust-building. The result? A more vibrant, collaborative team—ready to make the College a true beacon of success!
To sum up, the strides made during this remarkable period affirm Oshwal College's unwavering pursuit of excellence across all dimensions—from academics and student life to staff development and global engagement. The collaborative spirit and resilience demonstrated by our entire college community have laid a strong foundation for continued growth. As we look to the future, we remain committed to nurturing a transformative learning environment that empowers individuals to thrive, lead with purpose, and contribute meaningfully to the world beyond our campus. Together, we will continue shaping a legacy defined not only by achievement but also by the values that make Oshwal College a true Centre of Academic Excellence.

STAFF TRAINING ON EMOTIONAL INTELLIGENCE AND LEADERSHIP

On 29th November 2024, Oshwal College held a one-day training session at Golden Tulip Westlands, Nairobi, facilitated by Paragon People Solutions. This training aimed to enhance staff skills in various areas, including emotional intelligence, leadership, conflict management, and goal alignment, among others. The interactive session provided staff with valuable and practical insights to improve their professional competencies. Attendees engaged in a variety of activities designed to foster teamwork and develop leadership skills, leaving the event empowered and better equipped to handle workplace challenges.

The training also highlighted the importance of emotional intelligence and effective leadership in creating a cohesive and productive work environment. Overall, the session was a significant step towards fostering a more cohesive and effective team at Oshwal College, reflecting the institution's commitment to continuous improvement and excellence in education. A big thanks to all who participated and contributed to making the event a success.

STAFF TRAINING ON EMOTIONAL INTELLIGENCE AND LEADERSHIP

The success of any organization hinges on the performance of its employees. A vibrant and engaged team is a clear indicator that the organization is on a positive trajectory. In this regard, Oshwal College organized a team-building event on 23rd November 2024 at Oshwal Academy Nairobi Primary Campus. The event, whose theme was “Fostering Team Harmony Through Trust and Psychological Safety,” focused on enhancing leadership skills, effective communication, and building trust and collaboration in the workplace. The day's activities revolved around teamwork, innovation, communication skills, leadership, and collaboration, and the facilitator was Paragon Peoples Solutions Limited.

SENIOR STAFF TRAINING

On 8th November, 2024, InQuest Research & Consulting Limited conducted a one-day training session at the College premises for the senior and middle level management staff. The training, under the theme "Performance Improvement Strategies," aimed to enhance work relationships, leadership skills, performance, communication, and understanding of the institutional culture. The event was facilitated by Miss Rosemary Maina, a renowned corporate training and HR consultant.

PRESIDENT'S AWARD GOLD EXPEDITION

The Oshwal College President's Award Club organized an expedition to Othaya, Nyeri County, from October 30th to November 4th, 2024. The Gold participants hiked the Aberdare Ranges and engaged in bonding sessions and training conducted by assessors from the President's Award office. The programme aims to train and engage young people in experiential and challenging activities that impart positive life skills and ethical values, fostering a better society. Due to the club's growing interest among students, the Dean of Students' office and the Sports Coach will recruit more students and provide comprehensive support to ensure success in all President's Award activities.

Oshwal College Toppers: Champions of Academic Excellence

Oshwal College has a legacy of producing top students in Kenya and globally. The latest exam sessions saw many students topping their courses, demonstrating the college's dedication to quality education and a student-cantered approach. Oshwal College's commitment to exceptional teaching and learning environments enables students to achieve remarkable results.

With a holistic approach to education, the college prepares students for future challenges, promoting academic excellence and personal growth. In the region, Oshwal College continues to inspire and lead as a beacon of excellence in education.

BTEC IT students take their learning to the next level at Odoo

"Learning is best experienced first-hand!" That's exactly what BTEC IT students discovered on May 13, 2025, during an exciting visit to Odoo Software Company. This industry-focused learning experience gave students a unique opportunity to explore Odoo ERP and gain practical insights into business IT solutions.

The day's activities included an in-depth session on the Project Management module, where students learned how enterprise resource planning supports workflow efficiency. They also had the chance to interact with the Odoo POS system, understanding its role in modern business transactions. To put their knowledge into action, students participated in an interactive competition, applying their IT skills in a dynamic real-world scenario.

The visit concluded with a career-focused Q&A session led by Odoo team, equipping students with valuable insights into industry trends and professional development. More opportunities for hands-on learning are on the horizon—stay tuned!

Parents Open Day

On Saturday, 22nd March 2024, Oshwal College successfully hosted its Parents' Open Day. This event provided a platform for parents, guardians, and sponsors to engage with the College's senior management team and lecturers. The primary goal was to help them better understand the institution's expectations and policies, fostering a deeper partnership in supporting students' academic journeys. Parents also received updates on their children's academic progress and participated in interactive discussions. This initiative strengthened communication and collaboration between the College and the parents, ensuring mutual understanding and commitment.

Oshwal College remains dedicated to nurturing strong relationships with all stakeholders to create an environment that supports student success and holistic growth.

Holi Celebrations

On 21st March 2025, the College was a hub of vibrant energy as students celebrated Holi with enthusiasm and joy. Held in the scenic College gardens, the festivities brought together students from various classes, fostering camaraderie and unity. The event featured colourful splashes, lively music, and cultural activities, creating an atmosphere of excitement and celebration.

This memorable occasion strengthened the College community's bonds while embracing the spirit of Holi with exuberance.

Inaugural Annual High School Career Conference, Kisumu

Oshwal College held its inaugural High School Career Conference on 7th March, 2025, at Mudasa International School, Kisumu, under the theme "Crafting a Brighter Future: Navigating Career Paths in a Digital Era." The event brought together over 200 final-year students from leading international schools for career guidance and industry insights.

Prominent speakers, including Evans Wagoro, Auscar Wambiya, and Steven Obuogo, emphasized the importance of values, emotional intelligence, and technology in career success. Students were also taken through personal branding, professional qualifications, and emerging trends. This successful launch marks the start of Oshwal College's expanded mentorship initiatives, with a Nairobi conference slated for 12th March, 2025.

Inaugural Annual High School Career Conference, Nairobi

On the 12th of March 2025, Oshwal College held its first-ever Nairobi High Schools Career Conference at Oshwal Centre. Under the theme "Crafting a Brighter Future," the event offered career insights to more than 350 students and featured industry expert speakers who delved into personal branding, career paths, emerging trends, academic opportunities, and professional qualifications in an evolving job market.

Oshwal College Student Association Investiture Ceremony

Following a democratically held, free and fair election, the newly elected student leaders were inaugurated on Friday, February 14, 2025.

They took the oath of office in the presence of the College Senior Management Team and fellow students during the “Oshwal College Investiture Ceremony 2025.” The College Principal, Mrs. Jayashree Prathap, praised the elected leaders and encouraged them to diligently champion the students' interests. She also reaffirmed the management's commitment to supporting them in achieving their goals and aspirations.

On the other hand, the Dean of Students, Mr. Joel Wainaina, encouraged the new leaders to be proactive and be good role models to other students in the College.

Head's Message

As Head of Boarding, it's been an honour to lead not just a team, but a family. These halls were more than walls — they held laughter, late-night chats, silent strength during hard days, and memories that will stay with us forever.

To every boarder: thank you for the trust, the teamwork, and the unforgettable moments. We came from different places, but we leave as one unit — stronger, wiser, and forever connected. Here's to growth, friendship, and the bonds that distance will never break. Once a boarder, always a boarder!

CONGRATULATIONS AKSHAY

Before joining boarding, I was a different person—less independent, a bit naïve, and definitely not as street smart. Boarding changed all of that. It was the first real experience where I had to rely on myself, make my own decisions, and navigate the small but crucial challenges of everyday life. Whether it was learning how to manage my pocket money, figuring out how to get an extra piece of mini-Fiesta on Wednesday's, or even negotiating with the management for stuff during weekly Barazas, boarding sharpened my instincts and taught me how to think on my feet.

One of the biggest highlights of my boarding experience was sports and extracurricular activities. Football was a daily ritual-we played after dinner, during breaks, and for nearly 10 hours on weekends, building endurance, teamwork, and quick decision-making. During IPL, the atmosphere would shift to cricket, where every match felt like an international tournament, filled with fierce competition. Weekends were also packed with hockey, badminton, swimming, and flow ball. Beyond sports, cultural events like Diwali celebrations and talent shows brought the entire boarding community together, making every moment more vibrant. No matter the activity, boarding gave me the perfect environment to enjoy, improve, and bond with friends over shared experiences

Academically, being in boarding was a blessing in disguise. Surrounded by fellow students, help was always within reach, making studying a collaborative effort. Whether it was late-night discussions in the study room or impromptu revision sessions before exams, there was always someone to turn to. This support system made a huge difference, and I never felt the need for extra tuition.

Looking back, boarding shaped me in ways I never imagined. It made me independent, built lifelong friendships, and filled my days with unforgettable moments. It was more than just a place to stay and will always hold a special place in my heart.
