## Head's Message

**Celebrating the journey, cherishing the growth—our future graduates are ready to soar!**

**A**s we approach the final stretch of this vibrant term, I am filled with immense pride and gratitude for the strong partnership between our parents and teachers at Oshwal Academy Nairobi Nursery. The success of our robust academic programs and the joyful celebrations we've shared are a true reflection of this collaborative spirit.

This term has beautifully brought families together in support of our children's growth. From the heartfelt Mother's Day celebration in May, the energetic Father's Day event in June, to the much-anticipated Grandparents' Day coming up in July 2025, each

occasion has strengthened the bond between home and school.

We also proudly hosted a successful Under-6 Triathlon, promoting physical fitness and sportsmanship, and launched our first-ever Creative Writing Competition for the Reception Year Group, sparking imagination and developing expressive language skills in our young learners.

Our team and children are now fully immersed in preparations for the upcoming Musical Extravaganza and Graduation Ceremony, and we eagerly look forward to hosting you on 5th July to celebrate the achievements and talents of this remarkable batch.

Additionally, we are excited to offer a 3-week Active Holiday Camp open to both Oshwal students and children from the wider community. This will provide an engaging and safe space for children during the school break, especially beneficial for families where both parents are working.

We warmly welcome your participation and support in spreading the word about school activities that will encourage every Nursery-aged child's learning to be fun and joyful. With heartfelt blessings, warm regards, and best wishes to all our

*Ms. Roama Mali*

## ENVIRONMENTAL DAY

Oshwal Academy Nairobi Nursery proactively observed World Environment Day on Thursday, 5th June 2025, with a campus-wide emphasis on environmental awareness. Engaging activities, tailored to the overarching theme of sustainability, were meticulously implemented across all streams. Pre-schoolers, attired in vibrant green, conducted a mini-rally across the school premises, conveying messages that advocated for environmental responsibility. The learners from the Inclusive Education Department initiated the day's events with a symbolic tree-planting ceremony. Concurrently, Playgroup students engaged in lessons focused on environmental stewardship, specifically addressing the importance of tidying their surroundings. The Kindergarten classes demonstrated practical application of these principles by meticulously cleaning the lunch hall following their break time. Finally, Reception classes were captivated by stories imbued with pertinent environmental themes, fostering early appreciation for ecological concepts.

## CREATIVE WRITING COMPETITION

On June 11th, our Reception learners enthusiastically participated in a class-wise Creative Writing Competition. The event showcased the budding literary talents of our young students, with each class engaging keenly in the imaginative task. Following careful assessment, certificates for 1st, 2nd, and 3rd positions were proudly awarded to deserving learners in each respective class, celebrating their efforts and creativity.

## FATHER'S DAY

On June 13th, 2025, all of our classes, play group, preschool, kindergarten, reception, and IED celebrated Father's Day. The kids enjoyed watching their fathers participate in athletic activities. When the students gave their fathers greeting cards, it was very emotional. Learners also had some dance movements with their fathers. Both the fathers and the kids were seen to be happy. An overwhelming experience that improves relationships.

## 6 AND UNDER TRIATHLON EVENT

On Saturday, 14th June 2025, we successfully hosted the 6 and Under Triathlon exclusively for our Reception students. This thrilling event, combining Swimming, Cycling, and Running, highlighted the young athletes' strength, coordination, and determination across four heats. All participants who completed the heats received a certificate and a medal, fostering a spirit of healthy competition. First, second, and third place awards were presented to both boys and girls, making it a truly special day of joy and achievement for the children and their parents.

**ENROL NOW!**

## THE TRANSFORMATIVE BENEFITS OF PUBLIC PRESENTATIONS FOR IED LEARNERS

Public presentations offer numerous significant and transformative benefits for special needs learners, fostering crucial developmental gains. Engaging in such activities inherently helps build confidence and self-esteem as they successfully perform in front of an audience, validating their unique abilities and efforts. It provides invaluable opportunities to enhance diverse communication skills, encompassing verbal expression, effective body language, and the ability to articulate thoughts clearly, all of which are often key areas of focus in their individualized education plans. Furthermore, the comprehensive process of preparing for and participating in public presentations rigorously improves executive functions such as meticulous planning, efficient organization, and sustained attention, while simultaneously working to reduce anxieties often associated with public speaking and broader social interactions. Ultimately, these empowering experiences contribute profoundly to special needs learners developing greater independence, stronger self-advocacy skills, and a more profound sense of inclusion and belonging within their community.

## “HADITHI GYMNASTICS”

On Saturday, June 21st, 2025, we proudly hosted the Hadithi Gymnastic Event in successful collaboration with our esteemed vendor partner. This dynamic occasion brought together young gymnasts to showcase their agility, strength, and coordination in a vibrant display of talent. The event provided an excellent platform for participants to demonstrate their skills and sportsmanship, creating an engaging and inspiring atmosphere for all attendees.

## FIRE DRILL

The Nursery team conducted an unannounced fire drill on 11th June 2025. This exercise was carried out in collaboration with Eco Health Officer.

Such officers provide the school valuable feedback will help us identify areas of strength and highlight opportunities for improvement in our safety procedures. We thank the parents and visitors who were present on this day for being so supportive and encouraging in following guidelines.

## KG - RHYMES AROUND THE WORLD

*"Our tiny travellers on a rhyming journey!"*

Exciting things happened within our school walls on Tuesday, 3rd June 2025. Our amazing Kindergarten learners at Oshwal Academy Nairobi Nursery took a delightful journey into the world of language through rhymes and songs as part of our Language Sprouts Celebration!

This special in-school event was all about celebrating the joy of language learning and how it helps us connect with each other. Our little stars showcased their developing language skills by singing adorable rhymes, a wonderful way to build their understanding and have fun at the same time!

Beyond language skills, this celebration cultivated memory and cognitive development through the repetition and patterns inherent in rhymes. It also introduced them to the rhythm and melody of language, laying an early foundation for musical appreciation. Ultimately, the Language Sprouts Celebration aimed to make learning enjoyable, creating positive associations with language.

## Head's Message

*The beautiful thing about learning is nobody can take it away from you.*

**O**ur candidates have done it again!!! Special congratulations to our Year 6 students for an outstanding performance on the recent released check point examination results. As a school, we are so proud of our year six students for raising the flag of our school too high following their outstanding performance in their Checkpoint Examination. We commend the students for setting the bar too high and leaving a mark as they transit to Junior High school. The students and teachers invested time, sacrificed immensely, remained focused, dedicated and committed to the cause. Indeed, their hard work has paid off at last. We must congratulate all the students for the outstanding overall performance in the three subjects. In English, the students scored a school average of 38 out

of 50 compared to an international average of 33 out of 50. In Mathematics, they scored an average of 39 out of 50 against an international average of 31 out of 50. In Science, our learners scored an average of 42 out of 50 against an international average of 31 out of 50. This is an incredible achievement to both the students and the school. Congratulations to our Year 6 students and teachers for this remarkable achievement.

This checkpoints result is a milepost ....it is the best result so far. It is truly an achievement and we are proud of our learners.

Nothing comes easy in life and I would like to appreciate both our learners and teachers who have sacrificed a lot to make this happen. As our learners sit for their term end exams this week and as we wind up this year, we are happy as a school, as our learners

are happy and proud to have achieved great milestones. May the happiness prevail!

*Ms. Anjana Vijayan*

## Annual Art and Craft Competition and Hobbies Exhibition

On Friday 30th May 2025, students had an opportunity to take part in our Annual Art and Craft Competition and Hobbies Exhibitions guided by the theme 'Best out of Waste'. Our Year 1,2 and IED students took part on the non-competitive category where they were given a chance to displayed their hobbies and collections. We witnessed the boys and girls display their collections that included sea shells, stamps, key rings, toy cars, story books and many more. Year 3,4,5 and 6 students were subjected to the Art and Craft competition displays. Great artistic skills, high level of imagination and creativity were witnessed during this event as our students used a variety of locally available materials such as old papers, plastics, old greeting cards, pieces of glasses and wood, cartons among others to make their items as they embraced this year's theme- 'Best out of Waste'. Congratulations to all the participants for a job well done.

## Parents Consultation Day (Keep in touch)

On Saturday 31st May 2025, parents had the opportunity to meet classroom teachers to discuss on their child's progress in school. Matters concerning the welfare of the child were discussed at length. Strengths of the child as far as school matters are concerned were highlighted and areas of challenge addressed. Our sports, Art and Craft, Music and Drama teachers were also available to update parents on the co-curricular activities progress. On the same day during keep in touch, parents got an opportunity to view our Annual Art and Craft Competition and Hobbies Exhibition students displays in our school gym.

## Our Morning Assembly Class Presentations

The month of June marked the end of class presentations. Year 6 students capitalized on the Kenyan colonial leaders while year 4 students emphasized on the importance of saving planet Earth. The assemblies have been so educative, informative and entertaining.

Class 4D had a wonderful class presentation in line with the World Environment Day celebration focusing on the theme "Reduce, Reuse and Recycle." Through their skit, display of posters and dance, the students highlighted on simple tips yet powerful ways we can all help protect our planet Earth. Their message on taking care and saving our planet Earth inspired many as they emphasized on the importance of taking care of the environment.

Class 6C delivered an inspiring class assembly presentation on Mekatilili, a courageous Kenyan freedom fighter. The students spoke confidently about her bravery and resistance against colonial rule, highlighting key facts about her life and legacy. Their presentation was both informative and engaging, celebrating Mekatilili's role as a powerful symbol of strength and resilience.

Class 4C did an amazing job during their assembly class presentation. They reminded us that there is no another world except the planet Earth we are living in. Through their narrations and songs, they sensitized on the importance of taking care of our planet Earth since we do not have another world.

Class 6D took us through Oloibon also known as Laibon a spiritual leader among the Maasai Community. One of the famous Laibons was called Lenana. He collaborated with the British and later resisted the colonial rule. Through their narrations and Maasai songs they brought the character of the colonial leader to life.

It was amazing to see class 4E and class 4F students stage their class presentations during our morning assembly so passionate to create

awareness on the importance of taking care of the environment. Through their beautiful songs, narrations, short skits and chants; Class 4E emphasized on land restoration while Class 4F sensitized on the importance of conserving and protecting water citing that water is life. We congratulate our students for coming out strongly to educate and encourage each and every one to take the initiatives of protecting our planet Earth.

Class 6F staged their class presentation on one of the Kenyan leaders- Jaramogi Oginga Odinga who was a key figure in Kenya's independence movement. He advocated for self-governance and played a significant role in the struggle against British colonial rule. The famous Kenyan leader is well remembered for his dedication and selfless struggles towards fighting for freedom and democracy in Kenya. Class 6F students brought the character of this leader to life through their vibrant narrations, songs as well as dramatized skit.

Class 6E students delivered an informative and engaging assembly presentation on Nabongo Mumia, the famous pre-colonial leader of the Wanga Kingdom. Through storytelling, short dramatizations and narration, the learners highlighted his leadership, diplomacy and role in shaping the history of Kenya before colonial rule. The presentation helped the audience understand the importance of preserving cultural heritage and recognizing the contributions of early African leaders. It was a proud moment as the students confidently shared their knowledge with clarity and enthusiasm. They culminated their presentation with a traditional folk dance.

The Inclusive Education Department students were not left out. They reminded us it is our noble duty to protect and take care of our environment in order to save our planet earth. The message was very clear that the nature needs us and our key responsibility is to make planet earth a happy place for each and every one of us. Students Appreciation Badge Awards.

During our morning assembly, we recognized and celebrated students who have demonstrated outstanding discipline throughout. The students received the Most Disciplined Student Award for consistently demonstrating outstanding behaviour, respect and responsibility in all areas of school life.

Students who have demonstrated high levels of neatness and cleanliness throughout the term were also celebrated. These students have clearly shown excellent personal hygiene, wore the right school uniform and maintained a well-groomed appearance daily. Their efforts reflected a strong sense of self-care, responsibility and pride in how they carry themselves. These students were recognized with the Most Well-Groomed Students award.

**ANNUAL SENIOR PLAY  
LIVE STAGE PERFORMANCE**

Oshwal Academy Nairobi Junior High auditorium was packed to capacity on Thursday 5th June 2025 as the audience watched in amazement the Primary Campus Annual Senior Play 2024- 2025 live Stage performance.

Our Senior play production, "Stars on Earth," attracted thunderous applause from the audience as our young thespians meticulously executed their roles in a very skillful manner. Our actors and actresses in this play reminded us that every child is unique, talented and worthy of love and understanding. *Congratulations to all the participants who took part in the Senior play for an outstanding performance.*

## The World Environment Day Celebrations

World Environment Day is the biggest international day for the environment. On Thursday 5th June 2025, Oshwal Academy Nairobi Primary marked and celebrated the World Environment Day being guided by this year's theme "Beat Plastic Pollution." To sensitize the issue of ending plastic pollution, during assembly, Class 4D and golden badge prefects led by our Eco warrior prefects staged their presentations promoting and creating awareness on how to save planet Earth. To create awareness and educate the public on the importance of taking care of the environment, we had a march past outside the school compound. Our banners and slogans as we marched drew the attention of the public and reminded them on this special day celebrations. It was such a thrilling event as we celebrated the World Environment Day as Primary Campus family.

## Year 2 Field Trip to Nairobi National Park- Safari Walk

Our Year 2 students together with their teachers took a ride to the Nairobi National Park – Safari Walk on Thursday 12th June 2025 for experiential learning. It was a great moment for them to interact with nature at its best. The trip offered a fun and educational outdoor experience where students explored nature, bonded with peers and expressed their energy and enthusiasm. Activities throughout the day encouraged curiosity and appreciation for wildlife while making unforgettable memories in the great outdoors. It was a great experience for them and we believe what they learnt will be of great significance throughout their academic journey.

# Primary

## Prefects Investiture 2025-2026

*'Nurturing and harnessing leadership qualities.'*

Primary Campus believes in nurturing and harnessing leadership qualities to our learners. The outgoing set of prefects for the Academic Year 2024-2025 has served our school with a lot of passion, commitment and enthusiasm. Their dedication and hard work throughout the year serving the school has left a mark in their tenure. On Friday 13th June 2025, it was a remarkable day as we witnessed the outgoing group of prefect's hand over power to the incoming set of prefects. The new team was commissioned to serve the school faithfully for the Academic Year 2025-2026 after they took oath of office administered by the Head teacher Ms. Anjana Vijayan and conferment done by the Primary Campus Committee Chairlady. Exit remarks from the outgoing head boy and head girl spelled out clearly their achievements as well as challenges they had to deal with during their tenure. The inaugural speeches from the incoming head boy and head girl came with a lot of excitement as they expressed

their commitment to serve Primary Campus without any bias for the Academic Year 2025-2026. We wish the newly appointed set of sixty-two prefects best of luck as

they swing into action to serve the school to the best of their abilities with an assurance of the support from primary campus team.

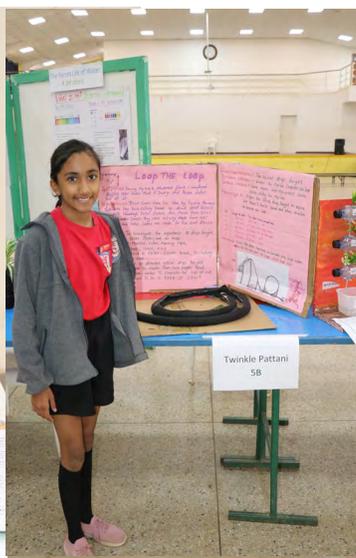

## 3RD EDITION INTER-SCHOOL TAEKWONDO CHAMPIONSHIP

On Saturday 14th June 2025, Primary Campus hosted its Third Edition Inter-School Taekwondo Championship Tournament in partnership with the Heroez Taekwondo. This exciting event was graced by young and talented Taekwondo practitioners from several schools and clubs. It was such an amazing event to see enthusiastic participants showcase their Taekwondo skills in Kukkiwon Poomsae (Forms), Kyeorugi (Sparring) and Kyeokpa (Breaking). A great moment to see the young Taekwondo practitioners demonstrate the discipline that comes with the sport as well as make new friends. The event was very successful and all participants learnt from their peers and enjoyed themselves.

# Father's Day Celebrations

The school joyfully celebrated Father's Day with heartfelt appreciation and vibrant spirit on Monday 16th June 2025. The morning began with a special gesture from the students, who lovingly presented beautifully crafted cards to the fathers who came to drop off their children. The smiles and emotions shared during this thoughtful exchange made it a memorable start of the day. During our school morning assembly, all male teachers were warmly recognized and honoured for their roles as father figures within the school community. The celebration continued with a lively dance by the teachers, which was enjoyed by everyone and brought cheerful energy to the event.

# Annual Science Fair Presentations

Our young scientists had the opportunity to present their science fair projects during Science lessons. From scientific investigations to working models, we witnessed great ideas, a lot of creativity and advanced innovations with our aspiring young scientists. New discoveries with a lot of originality came out clearly in this year's Annual Science Fair. On Thursday 19th June 2025 we had Year 1,2 and 3 annual Science fair finals while Year 4,5 and 6 Science fair finals took place on Friday 20th June 2025. It was a moment for our students to showcase their scientific innovations and discoveries. The scientific investigations and the working models explained by the students depicted high levels of scientific mastery of concepts and understanding. Well done to all upcoming young scientists who merited to take part in our Annual Science Fair finals.

**Year 6 Field trip to Nairobi National Park- Safari Walk**

Year 6 students had an exciting and a memorable educational field trip to the Nairobi National Park- Safari Walk on Thursday 19th June 2025. Accompanied by their class teachers, the students had good time for experiential learning as they interacted with nature to acquire first-hand information. The visit provided a unique opportunity to the team as they interacted with Kenya's diverse wildlife up close in a natural setting. Learners explored various animal and plant habitats and learnt about conservation, endangered species and the importance of protecting our environment. The trip was both fun and informative, sparking curiosity and deepening the students' understanding of wildlife and nature. It was a memorable outdoor learning experience for all.

**Year 1 Presentation at Junior High Auditorium**  
**'A promise is a debt and it has to be honored'**  
 On Friday 20th June 2025, our young thespians rose to the occasion and showcased a wonderful presentation to their parents and all invited guests present at the Junior high auditorium. The actors and actresses perfectly executed their roles as they unfolded the episodes of their play "The Promise". Our boys and girls exhibited great acting skills on stage as they meticulously took the audience through their play from the start to the end. *Congratulations to all our year one students for their amazing performance.*

# Primary

## Triathlon-2nd Edition

On Saturday 21st June 2025, Oshwal Academy Nairobi Primary hosted its 2nd edition of the exciting Triathlon event that comprised of Running, Swimming and Cycling for our student's participation to kindle their skills as well as enjoy themselves. This colourful and enjoyable event becoming popular day by day, drew participants from other institutions across the region. The Winners of the event were awarded gold, silver and bronze medals. All the participants were recognized with certificates of participation.

## Cambridge Checkpoint Examination Results

*Our candidates have done it again!!!*

Special congratulations to our Year 6 students for outstanding performance on the recent released Checkpoint Examination results. As a school we are so proud of our year six students for raising the flag of our school too high following their outstanding performance in their Checkpoint Examination. We commend the students for setting the bar too high and leaving a mark as they transit to junior high school.

The students and teachers invested time, sacrificed immensely, remained focused, dedicated and committed to the cause. In deed their hard work has paid at last. We must congratulate all the students for the outstanding overall performance in the three subjects. In English, our school scored a school average of 38 out of 50 compared to an international average of 33 out of 50. In Mathematics our school scored an average of 39 out 50 against an International average of 31 out of 50. In Science our learners scored an average of 42 out 50 against an International average of 31 out of 50. This is an incredible achievement to both the students and the school. Congratulations to our Year 6 students and teachers for this remarkable achievement.

### Clubs activities

Clubs activities plays a significant role towards the development of the learners in a school set up. Learners develop confidence to express themselves, develop leadership skills, gain skills that are essential in their daily lives as well as make new friends. In the month of June, our students dived into a variety of clubs' activities that comprised of both Paid and Non -Paid activities. The enthusiastic learners demonstrated full commitment towards achieving the set objective in the various activities that involved Skating, Coding, Badminton, Taekwondo, Yoga, Instrumental Music among others. Students had fun as they learnt various skills guided by the teachers and coaches.

### Learning activities

Learning progressed on very well in the month of June. Students and teachers grabbed every learning opportunity with pride. Great experiences, new discoveries, acquisition of skills and knowledge with different approaches both inside and outside the classrooms were actualized. From hands on activities to research work, from group works to class presentations, from role playing to solving problems, students enjoyed learning throughout.

## Inclusive Education Department

Students from the Inclusive Education Department actively participated in the World Environment Day celebrations with great enthusiasm. Dressed in earth-tone colours to symbolise their connection to nature, the learners took part in meaningful activities that highlighted the importance of protecting our planet. One of the main highlights was the creation of vibrant posters and banners with powerful messages such as "Save the Earth," and "Protect Our Planet." These visuals, designed with creativity and purpose, reflected the students' understanding of environmental responsibility. The celebration continued with a school-wide awareness walk, where the students proudly carried their posters and banners around the school compound. This symbolic walk not only showcased their work but also helped spread environmental awareness among their peers and the school community.

We are proud to recognise our outstanding students from the Inclusive Education Department for their excellent behaviour and personal presentation. Njeri, Ruby, Bradley and Kylan received the Most Disciplined Student Award for consistently showing respect, responsibility and a positive attitude in all areas of school life. Tashvi, Munasar, Nathan and Nyle were awarded Well-Groomed Student Award for maintaining neat appearance and excellent personal hygiene throughout the term.

We are thrilled to celebrate the outstanding achievement of Bradley Kinuthia, who represented the Inclusive Education Department at the Kiswahili Mashairi (poems) Interschool Competition hosted by St. Austin's Academy. Bradley impressed both the judges and audience with his confident delivery, clear articulation and expressive performance of a Kiswahili poem. His passion and stage presence earned him a standing ovation and the prestigious title of Most Outstanding Student in the

competition. This remarkable achievement is a testament to Bradley's hard work, dedication and love for Kiswahili literature. We are incredibly proud of him and look forward to seeing him continue to grow as a young performer and role model.

Our IED assembly presentation was on Reduce, Reuse and Recycle. Students delivered an engaging and meaningful assembly presentation on the theme "Reduce, Reuse and Recycle", focusing on the importance of caring for the environment. Through information, song and real-life examples, they explained how small actions—like reusing materials, reducing waste and recycling—can make a big difference in protecting our planet.

The presentation encouraged everyone to be more mindful of their habits and take responsibility for creating a cleaner and greener future. It was an inspiring reminder that change begins with each one of us!

## Sports Department Roundup - June 2025

The month of June 2025 was an action-packed month at our school as athletes from every age group showcased their skills, determination and sportsmanship in a series of thrilling matches and tournaments. From soccer pitches to swimming pools and triathlon courses, our young sports stars left it all on the field, court and track. Early June Kick-Off on the Soccer Fields.

Tuesday, 3rd June: Our U11 boys and girls squared off against Jawabu School in an electrifying soccer fixture. The match set an energetic tone for the month as our teams demonstrated excellent coordination and a fearless attacking style.

Thursday, 5th June: The U9 boys and girls continued the momentum in another fixture against Jawabu School. Their dynamic play and determination underscored a promising start for our young soccer enthusiasts.

### Netball, Tag Rugby and The KAIS Tournaments.

Our talented U11 girls took pride in representing the school at the KAIS Netball Tournament held at the Nairobi Academy. Their strategic plays and team spirit shone brightly, earning praise from coaches and spectators alike.

Tuesday, 10th June: A double-header at the Oshwal Center saw our U11 teams in action—boys competing in Tag rugby and girls in Netball—against formidable opponents from MLC and Brookhouse Runda. Their performance highlighted not only athletic prowess but also the importance of teamwork.

Thursday, 12th June: Our U9 athletes had a busy day at the Oshwal Center, with the boys taking on Tag rugby and the girls

competing in Netball against MLC. Later that same day, our U9 girls continued their Netball journey by participating in the KAIS tournament at Braeside Thika School, displaying determination and spirited gameplay.

### Tournaments on Home Turf and Beyond

Saturday, 14th June: A major highlight was the PIPSSA U9 and U11 Girls Netball Tournament, proudly hosted by our school. The event brought together teams from different schools, and our players impressed with their competitive edge and refined skills.

The PIPSSA developmental swimming gala was held at Sabis School Runda. This event provided our swimmers with valuable experience in a competitive environment and celebrated the progress of our developing talents in the pool.

### Mid- to Late June Fixtures and Interschool Challenges.

Monday, 16th June: Our U7 boys and girls football teams ventured to Woodcreek School for a spirited fixture that was as much about emerging talent as it was about fun and learning.

Tuesday, 17th June: The U11 boys (in Tag rugby) and U11 girls (in Netball) matched up against Brookhurst School at the Oshwal Center. Sharp passes and strategic plays characterized the intense matches.

Thursday, 19th June: The U9 teams

returned to the field as the boys battled in Tag rugby and the girls in Netball against Woodcreek School, hosted by our gracious counterparts at Woodcreek.

Saturday, 21st June: The month closed with a dual showcase of athletic versatility: The OAN-P Interschool Triathlon tested endurance and determination, with athletes competing across running, cycling and swimming segments. Simultaneously, our school hosted the PIPSSA U9 and U11 Basketball Interschool Tournament at the Junior high campus, where fast breaks, teamwork and dazzling plays highlighted the passion for basketball.

June 2025 was more than just a series of competitions—it was a celebration of the unity, resilience and continuous growth that defines our sports culture. The dedication shown on the soccer fields, swimming lanes and triathlon courses is a testament to the hard work of our students, the inspiring direction of our coaches, and the supportive energy of our school community.

As we look back on this vibrant month, congratulations to every athlete, coach and supporter for making June a month to remember. The lessons learned, the skills honed and the friendships forged on these battlegrounds will undoubtedly fuel our drive for excellence in the upcoming challenges.

## Head's Message

**W**hat an incredible month June has been at Oshwal Academy Nairobi Junior High! A month that sparkled with student energy, creativity, and talent.

We kicked off the month with the much-anticipated Mazingira Safi competition, held in honour of World Environment Day. Under the global theme #BeatPlasticPollution, our students dived into the urgent conversation about protecting our planet. Through thought-provoking essays, stunning nature photography, expressive artwork and recitals in Modern Foreign Languages, they brought out strong messages about the importance of reducing plastic waste and its damaging impact on ecosystems, wildlife, and human health. The passion with which our learners tackled this challenge was inspiring and showed that environmental stewardship is alive and well in our school community.

Hot on the heels of Mazingira Safi came our Annual Science Fair — a showcase of boundless imagination and scientific curiosity. Our budding innovators

presented exciting, practical solutions to real-world problems, from renewable energy inventions, business solutions and inventions, sustainable recycling to health and hygiene innovations. It was a wonderful sight to see young scientists boldly dreaming of a better future and backing their ideas with research, design, and experimentation. Our judges and visitors were left thoroughly impressed by the depth and originality of the projects on display. The theme of the fair was #Wealth from Waste.

June also saw the halls of Oshwal echo with the rhythmic charm of languages during our Modern Foreign Languages Elocution Contest. This event celebrated the richness of Gujarati, Hindi, Kiswahili, and French, as students took to the stage with compelling recitations, dialogues, poems, and dramatic presentations. The confidence, eloquence, and linguistic flair on display were simply outstanding. It was heartwarming to see our students embrace multilingualism and cultural appreciation with such enthusiasm and pride.

Then came a truly delicious highlight of the month — our first-ever Student Cooking Competition! With aprons tied and

utensils ready, our young chefs turned the heat up — quite literally — in the kitchen! From flavourful fusion dishes to sweet treats that could rival professional bakers, the competition was a delightful explosion of taste, technique, and presentation. Beyond the fun and excitement, the event promoted life skills, teamwork, and healthy eating habits. The smiles, the aromas, and the sense of achievement made it a standout event of the term.

In every sense, June has been a student-centred month — a vibrant, colourful tapestry of learning beyond the classroom. From environmental advocacy and scientific exploration to cultural expression and culinary creativity, our students have had the opportunity to grow, shine, and lead in diverse ways.

As we wrap up the month and look forward to the end of the term, I extend my heartfelt appreciation to all our students for their spirited participation, to our teachers for their unwavering support, and to our parents for always standing with us in nurturing excellence. Let us continue walking this exciting journey together — empowering our young minds to think, create, and lead.

*Mrs. Sujata Yanamandra*

**Head of School  
Nursery Campus**

**YEAR 8 EDUCATIONAL TRIP TO APOLLO SCIENCE PARK**

Our Year 8 students recently visited the Apollo Science Park for an engaging educational trip. They took part in interactive sessions, explored cutting-edge science exhibits, and got a closer look at how scientific research and innovation impact everyday life. A memorable and inspiring experience for all!

**ANNUAL MAZINGIRA SAFI CONTEST 2025**

Across all Year groups, students engaged with the environment in creative ways through this year's Annual Mazingira Safi Contest. Whether it is thoughtful essay writing, powerful photography, or expressive art, learners used their talents to highlight the importance of a clean and healthy planet. Their ideas are a strong reminder that change starts with awareness and often, in the classroom.

# Junior High

## MUSIC AND DANCE SHOW 2025, A NIGHT TO REMEMBER!

The Music and Dance Show delivered an unforgettable evening filled with vibrant performances and community pride. The event brought together performers of all ages to celebrate music, dance, and cultural expression. Audiences were treated to a dynamic mix of traditional and modern acts, from classical Indian dance to contemporary fusion numbers, all met with roaring applause. The talent on display reflected the hard work and passion of everyone involved, both on stage and behind the scenes. We would like to extend a sincere thank you to the organizing team, performers, and volunteers for their dedication, and to our community for showing up in full force to support. We cannot wait to see you at the next one!

# Junior High

## WORLD ENVIRONMENT DAY 2025

To mark World Environment Day, our Geography students, Environmental Management students, and Mazingira Safi Contest winners visited Karura Forest for a forest clean-up exercise. The field experience was a chance to connect classroom learning with real-world environmental issues, including conservation, ecosystem protection, and the global call to #EndPlasticPollution .

## ANNUAL SCIENCE FAIR 2025

On 9th June 2025, our students showcased their creativity and curiosity at the Annual Science Fair. This year's theme, "Wealth from Waste," inspired innovative projects across categories like Energy, Environment, Creative Arts, Entrepreneurship, and Engineering. Students from Year 7 to 10 impressed us with their hands on, real-world applications of science. From solo efforts to group collaborations, their passion was clear in every project. A big shoutout to our budding scientists, your work was inspiring and full of promise!

# Junior High

## MODERN FOREIGN LANGUAGES ELOCUTION COMPETITION 2025

A big congratulations to all the students who took part in this year's Modern Foreign Languages Elocution Competition! From expressive Hindi to fluent French, German and Kiswahili, our participants impressed the judges with their pronunciation, confidence, and command of language. It was not just about speaking well, it was about bringing the words to life. Thank you to our language teachers for their guidance and support, and to the audience for cheering everyone on. These young linguists showed us just how powerful language can be. Bravo! Bien joué! Well done!

## FIRST-EVER COOKING COMPETITION 2025

Oshwal Academy Nairobi – Junior High held its first-ever Cooking Competition, proudly organized by Ms. Kobia, our Food and Nutrition teacher from the Biology Department. The event was officially opened in a special ribbon-cutting ceremony led by School Principal Mr. Sharma, joined by Pastoral and Co-curricular School Coordinator Ms. Balraj, Head of School Mrs. Sujata, and Key Stage 4 Coordinator Mrs. Rakhi. Students took to the kitchen with energy and creativity, preparing a variety of nutritious and tasty meals. From meal planning to final presentation, the young chefs impressed the judges with their skills, teamwork, and attention to detail. The competition offered a fun and practical way to learn about food science, nutrition, and hygiene. A big thank you to Ms. Kobia for initiating this exciting and impactful experience!

# Junior High

## YEAR 10 GLOBAL PERSPECTIVE STUDENTS RAISE AWARENESS ON HUMAN TRAFFICKING

As part of their Global Perspectives project, our Year 10 students partnered with representatives from Awareness Against Human Trafficking - HAART Kenya a Kenyan non-governmental organization dedicated to fighting trafficking in persons, lead an important sensitization session for Year 7 and Year 8 students on the realities of human trafficking. The session aimed to equip the younger students with knowledge on how trafficking happens, warning signs to look out for, and how to stay safe. It was a powerful peer-led learning experience that highlighted the importance of being informed and speaking up. This initiative not only supported the Year 10s in applying their classroom learning to real-world issues but also demonstrated the impact of student-led advocacy in creating awareness within the school community. Well done to our Year 10 students for this initiative and a big thank you to HAART Kenya for their partnership and continued work in this crucial area.

## DEBATE TEAM SHINES AT THE MICHAEL GRZIMEK CUP 2025

Last weekend, a team of our passionate students proudly represented us at the Michael Grzimek Cup at the German School Nairobi. It was not just about debating; it was about resilience, quick thinking, and heart. Despite tough competition, our students showed up with purpose and character.

### Debate Round Winners

- Round 1 – Joan Magu, Elsie Kamanda, Kalisa Rissah
- Round 2 – Ethan Mbogo, Basil Martin, Kagema Mwai
- Round 2 – Anmol Dabasia, Juhi Dodhia, Diya Hirani

### Best Speakers

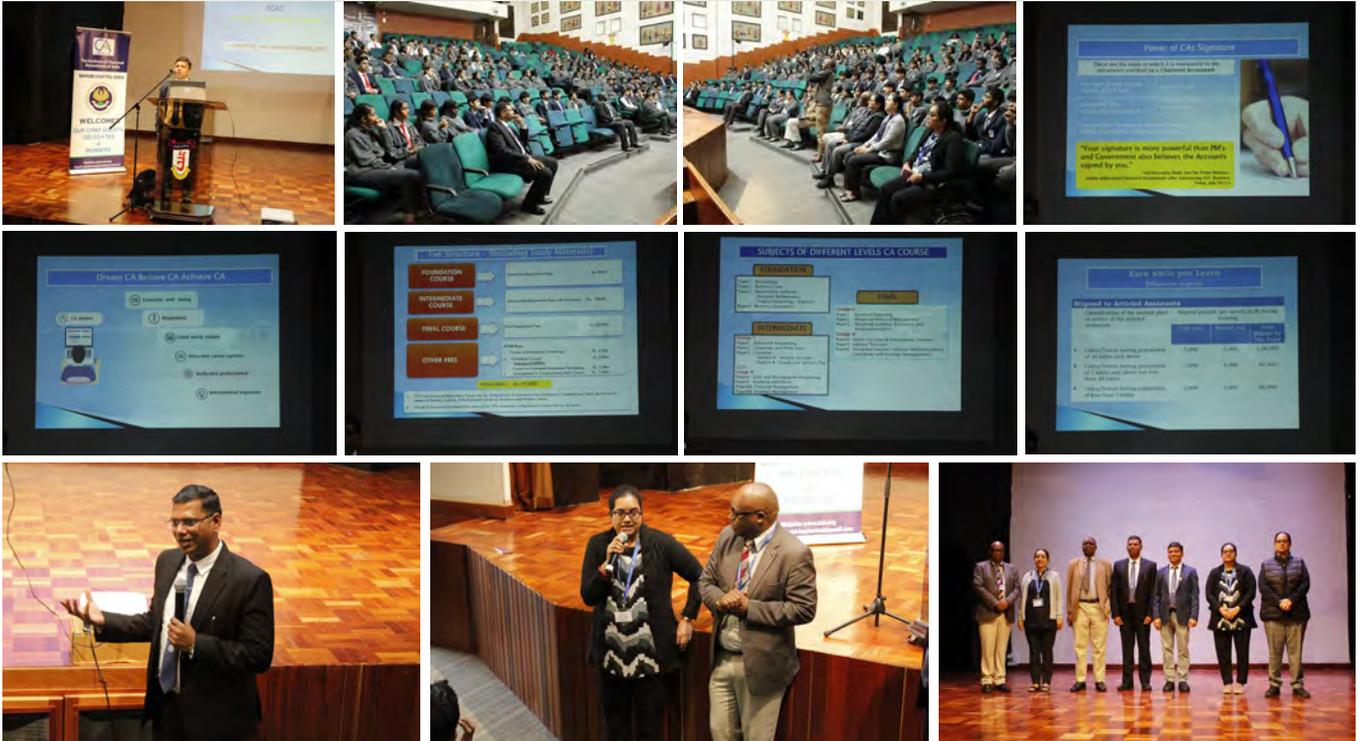

- Ethan Mbogo
- Diya Hirani

We are incredibly proud of each one of them!

## YEAR 9 CAREER TALK FACILITATED BY REPRESENTATIVES FROM THE INSTITUTE OF CHARTERED ACCOUNTANTS OF INDIA

Our Year 9 students had an insightful session this week during a Career Talk facilitated by representatives from the Institute of Chartered Accountants of India (ICAI). Held in the school auditorium, the session introduced students to the world of finance, accounting, and the many career opportunities within the field. The ICAI team broke down complex concepts into engaging and relatable ideas, sparking curiosity and thoughtful questions from our learners. It was a great opportunity for students to start thinking about their future paths and understand the importance of planning early. We are grateful to the ICAI representatives for taking the time to speak with our students and for helping them see how their current studies connect with real-world professions.

## SCOUTS INVESTITURE CEREMONY 2025

We proudly held our Scout Investiture Ceremony at the school auditorium, where new members officially joined the Scouts movement. It was a moment of honor and commitment as each student took the Scout Promise and received their badges. Congratulations to all our newly invested Scouts, your journey of service, leadership, and discipline begins now!

# KAISSO AND IPPSSA GAMES

## Head's Message

I hope you're all doing well. As we wrap up the month of June, I wanted to take a moment to reflect on the incredible work our students have accomplished. Our A' level students have completed their Cambridge and Pearson Edexcel exams, and we're eagerly awaiting the results, which will be announced on August 12th for CAIE and August 14th, 2025, for IAL. Our Year 13 BTEC students will also receive their results on August 14th, 2025.

After a well-deserved break, our incoming Year 12 and Year 13 students have settled back into school, and we've had a fantastic Open Day and Orientation Day. It was amazing to see so many parents on campus, and I'm thrilled to report that the event was a huge success. During the Open Day, you had the chance to explore our facilities, meet our passionate teachers, and learn

more about our academic and career programs. The Orientation Day was a great opportunity for our new students to get familiar with their new environment, meet their teachers and peers, and experience our school culture. Our experienced staff guided them through a series of activities designed to help them transition smoothly into their new academic phase. They also got to learn more about the various co-curricular activities, including sports, clubs, and pastoral sessions, which are such an important part of our school life.

These activities help our students develop valuable skills and interests outside of the classroom, and we're excited to see them thrive. Your support and participation mean the world to us, and we're looking forward to working together to provide the best possible education for our students.

Thank you for being part of our school community. We're always striving to improve and enhance our school experience, and we appreciate your feedback and

*Mrs. Vibhanshu Sharma*

**Head of School  
Senior High**

**BTEC ART EXHIBITION**

Exhibitions provide a platform for artists to present their work to a wider audience and gain recognition. The BTEC art students organized an art exhibition that was held on from 11th June to 13th June 2025. The students showcased their art work, allowing viewers to experience it in person and form their own interpretations. The event was successful and provided an opportunity to raise awareness about different artistic styles, and foster appreciation for art.

**SPORTS'**

There have been minimal sport activities due to the series of CAIE and IAL examinations which started in April to June. However, here are some the sporting activities the students participated in:

**Westland sub-county racquet games 2025.**

Four students participated in table tennis and badminton and performed exemplary well. All the four students qualified for the regional racket games to be held at Oshwal Academy -Junior High Cam-pus and Premier Academy for table tennis and badminton respectively. Congratulations to Khushi Malde, Dheer Haria, Purahan

No	Name	Sport	Category	Ranking
1	Khushi Malde	Table tennis	Girls	1 <sup>st</sup> position
2	Purahan Arora	Table tennis	Boys	3 <sup>rd</sup> position
3	Dheer Haria	Badminton	Boys	1 <sup>st</sup> position
4	Raghav Gupta	Badminton	Boys	3 <sup>rd</sup> position

## ORIENTATION DAY 23RD JUNE 2025

The first day of a student in a new institution of learning is a big moment, filled with excitement. It's a time for new beginnings, new faces and new routines. Getting settled, learning the layout of the school, and making connections with classmates are key. It is a great opportunity to meet new classmates, teachers, and other students. On this perspective, Oshwal Academy Nairobi, Senior High held its annual orientation day to welcome the New Year 12 students on 23rd June 2025. From the Senior management of Oshwal Education and Relief Board to the Oshwal Academy Nairobi, Senior High Leadership Team to all members of staff, everyone worked to see that the day's program ran smoothly without a hitch. The new students started arriving early in the morning and were received by members of staff who ushered them into the school. The program commenced from 8.00 am with a welcome speech from the Head of School Mrs. Vibhanshu Sharma. Students were taken through all the school programs and the daily routine. During the afternoon session, the students were treated to an exciting program dubbed "know your school or treasure hunt" meant to make them know their school environment which took them to various facilities the school prides itself in. This was really exciting as students moved from one corner of the school to the other. At the end of it, the winners of the 'treasure hunt' were received a trophy and given a token of appreciation which went to all who participated. The day ended on a high note. We wish the students well as they embark on their academic journey at Advanced Levels.

## Head's Message

**T**his has been yet another incredible term at Oshwal Academy Mombasa—a term filled with curiosity, creativity, courage, and celebration. It has been a season of vibrant learning experiences, joyful milestones, and proud achievements that remind us why we do what we do.

Our youngest learners Playgroup class embarked on “A Wild Day Out” at Nguuni Sanctuary while KG learners brought the story of The Enormous Turnip to life with their adorable assembly performance, reminding us all about teamwork and perseverance in the most delightful way. Next came our Inter-Nursery Schools Athletics Day, where our little athletes ran, jumped, and cheered their way through a day full of energy and fun. The spirit of healthy competition was alive and well among our Early Years.

We are proud of Year 6 for their outstanding performance in the 2025 Cambridge Checkpoint Examinations! Their commitment, resilience, and brilliance have set a shining example for the rest of the school. Congratulations to each and every one of you. Our academic journey continued to shine with top performances in the Gauss Mathematics Contest, a reminder of how far our learners can reach when passion meets preparation.

Oshwal Academy Mombasa also had the honour of representing Kenya at the World Scholar's Cup Global Round in Doha. Sixteen of our Junior Scholars competed with thousands from around the world, excelling in academic challenges and building friendships across cultures. It was a proud moment for all of us.

This term was also rich in

community and celebration and our talented students also shone in co-curriculars and sports. And finally, we ended the term on a high note with the Senior School Graduation Ceremony for our Year 11 and 13 students. The Class of 2025 left us with hearts full of pride. We wish our graduates the very best as they begin the next chapter of their journeys.

In every trip, tournament, exam, and celebration, our learners have shown that they are not only growing in knowledge, but also in character, confidence, and care. To all the stakeholder's, thank you for making OAM a place of endless possibilities.

*Mrs. Mildred Aseyo*

**Head of School  
Oshwal Academy Mombasa**

## Playgroup's Wild Day Out at Nguuni Sanctuary

A thrilling adventure for our little explorers from Playgroup as they set off to Nguuni Sanctuary. With beaming faces and endless chatter, the journey itself was full of joy and wonder.

On arrival, they were warmly welcomed by their friendly guide, Michael, who led them through an unforgettable wildlife experience. The young learners giggled at the curious ostriches, admired the slow and steady tortoises (both big and small), and spotted the sleepy oryx basking in the sun. The children were fascinated to meet the towering giraffes and delighted to learn each of their names — Happy, Louis, Emma, Eddie, and Chloe!

After a day filled with awe and discovery, the group settled down for a cheerful snack break, shared a thankful prayer, and waved goodbye to the animals (and Michael!) before heading back to school with hearts full of excitement and minds full of new knowledge.

### KG 1S ASSEMBLY 'THE ENORMOUS TURNIP'

Our KG 1S learners left us all in awe during their class assembly with a delightful performance of The Enormous Turnip! Dressed in their best outfits and wearing faux crowns, the little stars brought the classic tale to life with joy and confidence.

The story followed a farmer who stumbled upon a gigantic turnip in his garden. Try as he might, he couldn't pull it out alone. One by one, help arrived — his wife, a boy, a girl, a dog, a cow, a rabbit, and even a pig! Despite all their efforts, only when they all worked together did the enormous turnip finally come out of the ground. What a beautiful reminder that teamwork truly makes the dream work!

# Oshwal Academy Mombasa

## OAM INTER-NURSERY SCHOOLS ATHLETICS DAY

The 9th edition of the OAM Inter-Nursery Schools Athletics Day held on 14th June 2025 was a thrilling showcase of speed, strength, and pure nursery grit! With 5 schools sprinting in from Mombasa and Kwale counties, the field was set, the lanes marked, and the competition fierce — but fun! From sack races to mini relays, ball throws to hurdles, our little champs gave it their all. OAM made a bold comeback, reclaiming the overall title after two years — and what a victory lap it was! The cheering crowds, supportive parents, and beaming young athletes made it a day to remember.

From first-time starters to pint-sized pros, every child crossed the finish line a winner!

## YEAR 2 TRIP TO BAMBURI BEACH VILLAS

Our Year 2 learners had an amazing time during their trip to Bamburi Beach Villas! From racing through team-building games by the ocean to splashing paint in a clay pot art frenzy — our learners were bursting with joy and creativity! The day ended with a splash-tastic swimming session that had everyone giggling with excitement!

### Year 3 Making Waves at Nyali Cinemax

From giggles to gasps, OAM Year 3 learners explore the science of sound in the most exciting way possible – a trip to Nyali Cinemax! As part of their “Making Waves” unit, they watched Lilo & Stitch, paying close attention to the vibrations, echoes, and sound effects that brought the film to life. They discovered that all sounds – no matter how loud, soft, funny, or scary – are caused by vibrations. What a fun-filled way to turn science into something you can hear and feel!

### Year 4 Exciting Trip to Watamu

OAM Year 4 had an exciting adventure exploring Arabuko Sokoke Forest, Gede Ruins, the Snake Park, and Kipepeo Butterfly Farm! From uncovering ancient Swahili secrets to meeting snakes and learning about pollinators—every stop sparked curiosity. They also discovered the urgent need to protect our vanishing rainforests and the wildlife within.

## Year 4 Swahili Adventure to Jumba la Mtwana

Our Year 4 learners took a trip back in time during their Swahili trip to Jumba la Mtwana, a hidden coastal gem bursting with stories of the past!

With wide-eyed wonder, they explored ancient ruins and uncovered the rich Swahili identity shaped by the interaction between Arab merchants and coastal communities. Learners discovered how customs, traditions, and social structures were influenced, and how Islam became a part of the culture.

They were fascinated by the language evolution — spotting Arabic loanwords in Swahili and realizing how cultures blend through trade, faith, and everyday life.

History truly came alive as they walked the same paths once used centuries ago — learning, imagining, and connecting with their heritage in the most exciting way!

## YEAR 8 TSAVO EXPEDITION

Our Year 8 learners embarked on an educational adventure to Tsavo West, immersing themselves in geography, history, and environmental studies. From observing wildlife like elephants, zebras, and exotic bird species to studying tourism and local economies in Kwale and Taita Taveta counties, the students explored it all firsthand. They conquered Chaimu Lava Hills, examined volcanic activity at Shetani Lava Flows, and marveled at the underground water system at Mzima Springs, learning about its role in sustaining wildlife. The students visited World War I memorial sites at Maktau and Salaita Hills, where history came alive as they reflected on Kenya's role in global events. At Rhino Valley, learners observed the balance of ecosystems and how different species coexist in harmony. It was a perfect blend of exploration, discovery, and learning!

## Year 6 Trip to Nairobi

Our Year 6 students recently returned from a thrilling three-day educational adventure in Nairobi. Over the course of the trip, learners visited Nairobi National Park, the Animal Orphanage, and the National Museum, each destination offering a unique blend of adventure and insight.

From close-up encounters with Kenya's iconic wildlife to engaging lessons on conservation, and from exploring ancient fossils to walking through Kenya's rich historical timelines, students were immersed in a vibrant learning journey that extended far beyond the classroom. During a visit to the Kenyan Meteorological Department, the students had the opportunity to get hands-on with weather instruments and explore how they function.

The journey continued into the heart of Kenya's legislative process as learners were hosted at the National Assembly. They observed everything from the grand entrance of the Speaker and Members of Parliament to the formal opening of a session. One of the standout moments was an interactive session with Hon. Mohammed Ali, MP for Nyali. Learners asked insightful questions sparking thoughtful dialogue on leadership, civic responsibility, and the future of Kenya.

The visit culminated in a tour of the Senate House, where learners witnessed a live debate, gaining a real-time understanding of the workings of Kenya's democracy. This incredible trip was a journey of discovery that touched on science, history, government, conservation, and leadership. Our learners returned inspired, informed, and more connected to the world around them.

## Year 7 Discovering One Element at a Time

Gloves on and ready - OAM Year 7 students step into the shoes of real scientists as they uncover the secrets of the elements! From observing physical properties to safely handling simple reactions, they learn how each element plays a unique role in the world around us. The periodic table is no longer just theory - it's coming to life, one element at a time!

## Congratulations to our Year 6 Outstanding Achievers

We are incredibly proud of our brilliant learners who performed exceptionally well in the 2025 Cambridge Checkpoint Examinations. Your dedication, resilience, and academic excellence have truly set you apart. You've proven that hard work and consistency always pay off. Keep reaching for the stars — this is only the beginning of even greater achievements! Well done! The whole school celebrates your success.

## YEAR 6 VISIT MOMBASA COUNTY LIBRARY

In line with our ongoing advocacy for literacy and our deep passion for nurturing young readers, our Year 6 students had the golden opportunity to visit the Mombasa County Library!

The visit began with a warm welcome and a vibrant orientation session. The students were introduced to a brief history of the library, its mission, and the wide range of services and resources available including the impactful mobile library service that extends the gift of reading to communities far and wide. The librarians shared their passion and explained the crucial and impactful roles they play in enriching lives through knowledge and empowering readers of all ages.

The students listened with keen interest, asked thoughtful questions, and fully immersed themselves in the experience. Following the orientation, the

students were taken on a guided tour of the library, exploring its various sections—including the children’s area, a space designed especially for young minds to thrive.

We are incredibly proud of these young readers and look forward to more enriching opportunities for learning, growth, and lifelong discovery.

## BALLOON APPRECIATION DAY

The day was all about joy, colour, and kindness! Our students and staff came together to celebrate Balloon Appreciation Day in the most heartwarming way. Each balloon carried a loving message — to a friend, a favourite teacher, or simply a positive note to lift someone’s spirit.

With smiles, laughter, and cheers, the field lit up with vibrant colours as balloons soared into the sky, carrying hopes, love, and happiness into the air. It was a beautiful reminder of how small acts of kindness can truly brighten someone’s day.

# Oshwal Academy Mombasa

## Year 9 Curriculum Evening

Oshwal Academy Mombasa hosted the Year 9 Curriculum Evening, aimed at supporting learners and their parents as they prepare to transition into the IGCSE phase.

The session began with a common presentation by the Imperial Education Consultants (IEC) covering:

- The admission process and requirements
- Available courses and subject pathways
- How subject choices influence future academic and career prospects

Following the presentation, parents and learners visited various subject stations to consult with teachers, ask specific questions, and better understand the

curriculum expectations and relevance of each subject. The event provided invaluable guidance on:

- Subject selection strategy
- Career alignment and future planning
- The shared role of parents and teachers in shaping learner direction

Overall, the evening reinforced the importance of making informed decisions and encouraged thoughtful collaboration between learners, parents, and teaching staff.

## Celebrating Excellence: OAM Shines in the Gauss Mathematics Contest

Oshwal Academy is proud to celebrate the outstanding achievement of learners who recently participated in the prestigious Gauss Mathematics Contest. This internationally recognized competition, known for challenging young minds with creative and complex mathematical problems, saw our students rise to the occasion with enthusiasm and determination.

Their participation not only reflects their individual dedication to academic excellence but also highlights the school's commitment to nurturing critical thinking and problem-solving skills. Each learner demonstrated remarkable perseverance and intellectual curiosity—qualities that are at the heart of mathematical success.

We extend our heartfelt congratulations to these bright young mathematicians. Your hard work, courage, and passion for learning have made the entire Oshwal community proud. May this be the first of many milestones in your academic journey! Keep reaching for the stars!

**Senior School  
Father's Day Celebration**

OAM celebrated Father's Day on Friday, 13th June 2025, under the theme "Honouring Fathers and Father Figures."

Dads and male caregivers joined learners for an afternoon of appreciation, bonding and reflection. Discussions centered on the role of fathers in shaping family values, teaching life lessons, building resilience, and supporting their children's education, dreams, and discipline. They also shared memories, challenges, and advice from their own parenting journeys.

The session explored fatherhood in the modern age, balancing responsibilities, and fostering trust and empathy.

It was a heartfelt event that deepened school-home connections and honoured the vital role fathers play in learners' lives.

**CELEBRATING WORLD ENVIRONMENT DAY**

Our campus bloomed with every shade of green as students dressed to honour Mother Earth on World Environment Day. Our adorable Kindergarten section stole hearts as they teamed up with the school gardener — watching, learning, and mimicking his every move. From digging little holes and planting seedlings, to gently watering them and even whispering sweet goodbyes before heading back to class — their innocent dedication was a reminder of hope and nurturing. Not to be left behind, our senior students — despite their exams — made time to plant a tree, showcasing leadership and responsibility. Meanwhile, our junior students got busy in meaningful ways — watering school plants, tidying up their classrooms, and engaging with the "Save Our Oceans" art exhibition. The powerful artworks from our Art Department educated them about the dangers of ocean pollution and the vital role we all play in protecting marine life.

## PA PRE-BRONZE ADVENTUROUS JOURNEY

The OAM Presidents Award Centre proudly organised a successful Pre-Bronze Adventurous Journey for its newest members! For two nights and three days, 29 brave participants trekked through the stunning but challenging terrains of the Taita Hills—covering Wundanyi, Wesu, and Lushangonyi.

The trip brought rain, mud, and a true test of character. Our participants hiked through wet conditions, dodging dripping leaves and leaping over puddles—but nature had other plans. They arrived at the campsite soaked but smiling, already transformed by the power of perseverance.

These journeys are more than just hikes—they build teamwork, resilience, problem-solving, and leadership. They teach young people how to navigate both landscapes and life with confidence and courage.

This is what the President's Award is all about: growth, grit, and discovering your inner strength through service, skill, physical recreation, and adventurous journeys.

We celebrate every step, splash, and story that came out of this unforgettable experience!

## INTER SCHOOL RACQUET SPORTS TOURNAMENT

OAM Badminton players showed determination and improvement during the CISSA Inter school racquet sports tournament. We are incredibly proud of the players' hard work, resilience, and sportsmanship throughout the competition. Dharni Shah clinched 1st position, Mihika Shah emerged 3rd position while Sakeenah Bagha bagged the fourth place in the U13 Girls.

## Senior School Graduation Celebration 2025

OAM proudly celebrated the achievements of our incredible Year 11 and Year 13 graduates during our Senior School Graduation ceremony!

A heartfelt thank you to Dr. Sundeep Chavda for gracing the occasion as our honorary guest speaker. His words of wisdom and advice to our graduates, in line with this year's theme "Dream. Dare. Do", was inspiring, empowering, and a true call to action—encouraging each graduate to boldly pursue their passions, take meaningful risks, and turn their dreams into reality.

The evening was made even more memorable by the vibrant performances from the OAM Band and Instrumental Ensemble, who brought joy, rhythm, and energy to the celebration! Congratulations to the Class of 2025!

May you continue to dream big, dare greatly, and do extraordinary things in every path you choose. The world is yours!

## OAM Inter-Schools Ball Tournament

This past weekend, OAM lit up the field and court as we hosted an action-packed Inter-Schools Ball Tournament, welcoming top talent from coastal schools! The event featured the U7 Mixed Football, U11 Girls' Netball, and U13 Girls' Football tournaments – and what a show it was!

**U11 Girls' Netball Team:** Our girls stepped on court with heart and hustle, dominating with 4 wins out of 5 games! Their fast passes, tight defense, and seamless teamwork earned them a well-deserved 2nd place overall.

**U13 Girls' Football Team:** Our squad took to the pitch with fierce energy, squaring off against six schools. With each game, their formation grew tighter, tackles got sharper, and teamwork shone through. After some thrilling matchups, they clinched 3rd place overall!

**U7 Mixed Football Team:** These young ballers gave it their all in a spirited display of budding talent and sportsmanship. With heads held high and a strong fight through every match, our little champs landed 4th place overall – a fantastic result that promises a bright future on the field!

Hats off to all our athletes for their dedication, discipline, and sportsmanship. Your resilience and teamwork continue to make OAM proud. Onwards and upwards!

## Table Tennis Tournament

OAM players took part in a Table Tennis Tournament over Madaraka Day Weekend.

Every match was a valuable learning opportunity, and the players showed determination and improvement in each game.

Performances:

U11 Boys - Faris Zubedi 3rd position

U13 Girls - Amara Doshi 1st position

U13 Boys - Shreyan Modi 3rd Position

U15 Boys Romir Doshi 1st position

A big Congratulations to all our players!

## OAM Skaters Clinch 3 Gold medals in Inter-school Skating competition Exploration

A total of seven OAM skaters took part in a vibrant and exciting skating competition. It was a fantastic experience where our learners not only competed but also had the opportunity to showcase their unique talents and skills on the rink.

Three OAM skaters excelled in their respective age categories and were awarded gold medals for securing first place—a commendable achievement!

Beyond the medals, the event was filled with joy, learning, and team spirit. The skaters truly had a great time, and it was inspiring to see them support one another and express themselves with such confidence.

## OAM U7 and U9 Teams at AKAMOM Football Tournament

OAM under 7 football team participated in the AKAMOM football tournament and proudly secured 3rd place out of 7 participating schools while the under-9 football team secured 4th position out of 8 participating schools.

Both teams showcased excellent determination, teamwork, and discipline throughout the tournament. Our players did their best in every match, demonstrating growth, focus, and commitment to the field. This achievement is a reflection of the hard work and dedication the team has put into training.

## OAM Under11 Girls' Netball Team

OAM Under-11 girls' netball team had an outstanding performance during the Inter-school Netball Tournament. They topped their pool, advanced to the semi-finals with confidence, and fought hard in the finals, ultimately finishing 2nd out of 7 schools marking their second consecutive top two finish. This is a fantastic achievement and a true reflection of their hard work, discipline, and team spirit. Reaching the finals and securing second place is no small feat — we couldn't be prouder of each player.

Well done, Under-11! Keep shining and striving for excellence.

## Football Tournament Updates

OAM Under-15 football team wins 1-0 against Jaffery Academy in a friendly match. The players showed great teamwork, discipline, and determination. During the Jaffery Academy tournament our under-11 football team gave a commendable performance, securing 2nd place in their pool and finishing 4th overall among 7 schools. Similarly, our young under-9 football team finished 3rd in their pool and 4th overall out of 6 schools. The players showcased skill, effort, and unity throughout the match. Their progress is evident, and we're excited to see them continue to grow and succeed in future tournaments.

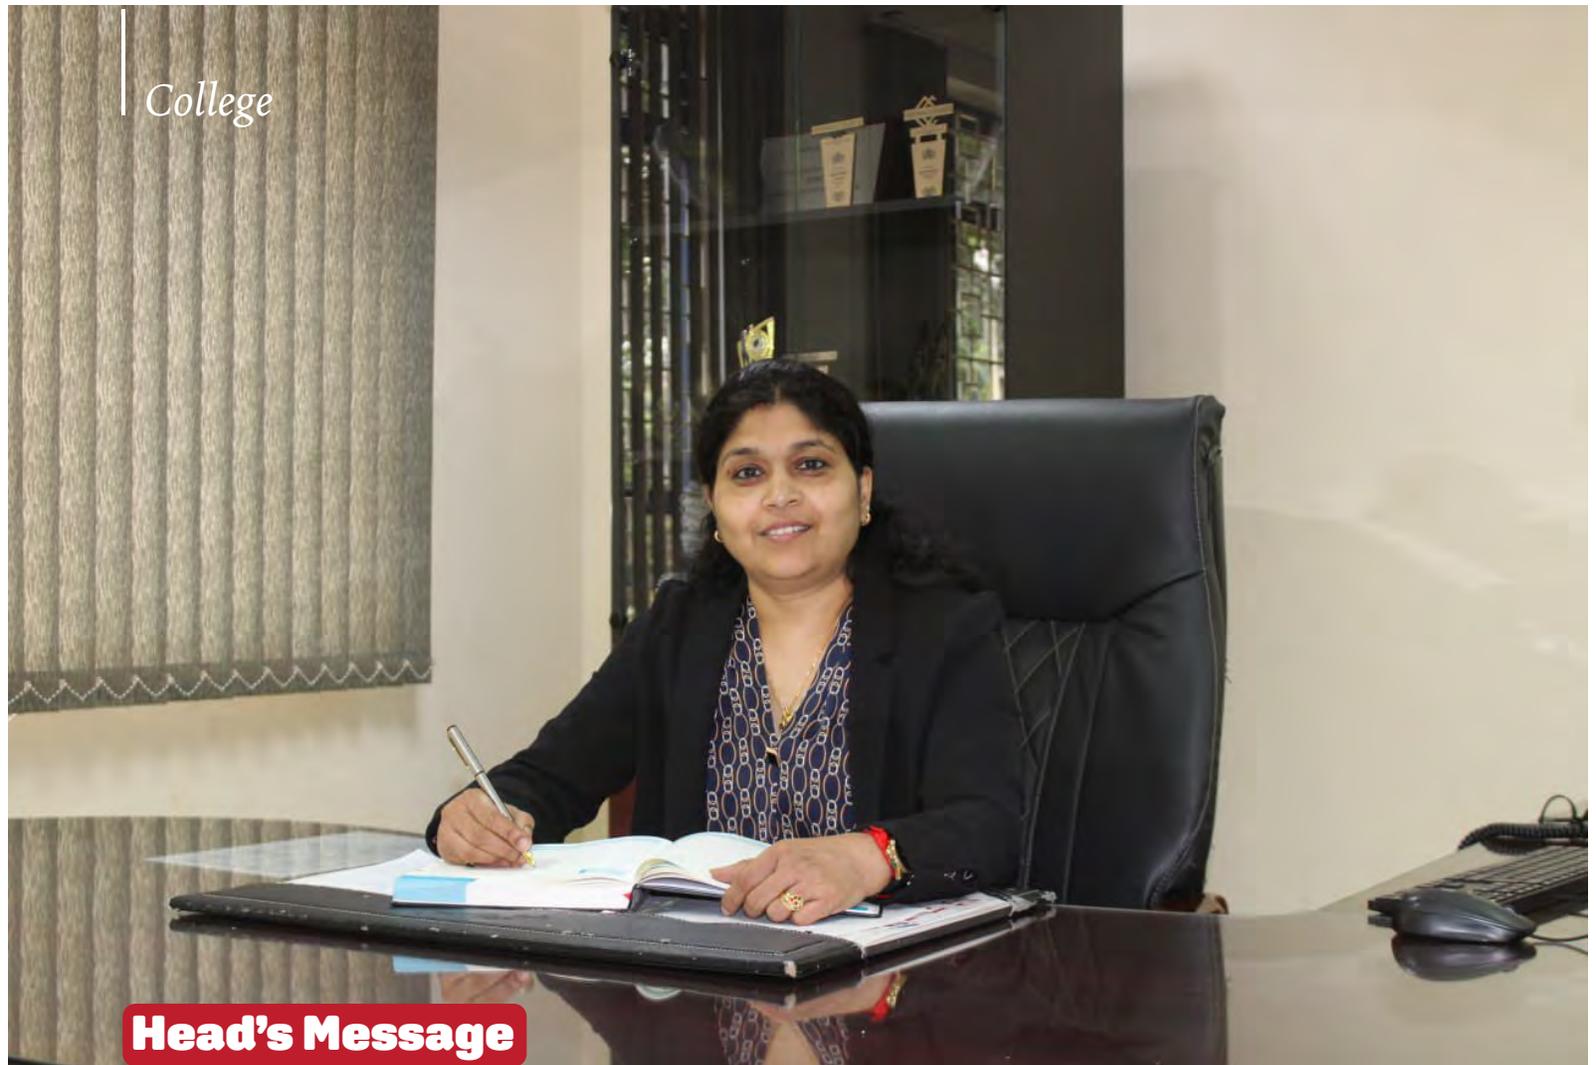

### MCSA JUNIOR SWIMMING GALA

OAM was represented by 24 swimmers in the MCSA junior gala held last weekend. The team did their best to improve on their personal best times with a total of 12 medals (3 silver and 9 bronze medals).

## Big Win for OAM U15 Football Team

## Head's Message

**I**'m excited to reflect on the notable successes and completion of the January–June 2025 semester. It's a moment that fills our college with joy and a deep sense of accomplishment.

The teachers provided excellent support to all students throughout the semester, enabling them to sit for exams and achieve good results in the June exams as well as submit first-rate coursework and assignments. I would therefore like to express my sincere appreciation to the students and teachers for their unwavering dedication, hard work, and commitment, which were instrumental to the successful completion of the semester.

During the May/June exam session, students sat for various assessments including ACCA session-based exams in applied skills and strategic professional levels, ABE exams, undergraduate time-constrained exams and courseworks, BTEC courseworks and assignments, and ACCA on demand computer-based exams. Admissions are now open for the second half of the year across all our offerings—including

professional courses, diplomas, degree programmes, and short courses. We're especially excited about our ongoing July/September intakes for our full 3-year UK degree programmes: BA (Hons) Business Administration, in collaboration with the University of Hertfordshire (UK), and BSc (Hons) Computing, offered jointly with the University of Greenwich (UK).

These programmes offer a unique opportunity for students with A-Level, BTEC Level 3 Extended Diploma, IB Diploma, or KCSE qualifications to earn an internationally recognized UK degree—right here at home. Additionally, diploma and advanced diploma holders in Business, IT, or related fields are also encouraged to apply through our credit transfer route.

As we kick off the July–December 2025 semester, I extend a warm welcome to all our new students joining the Oshwal College family, and a heartfelt welcome back to our continuing students for the second semester. I encourage each of you to stay focused and committed to your academic goals—success in your exams is key to moving confidently to the

next stage of your studies. And remember, you're never walking this journey alone. Our dedicated academic and administrative teams are here to support you every step of the way.

Lastly, I am deeply grateful to the parents, guardians, and sponsors for their unwavering support. Together, let us continue working to uphold the College's position as the leading centre of academic excellence in the region. Wishing you all the best in the new semester!

*Mrs. Jayashree Prathap*

## College

### Odoo Education Workshop

An engaging mid-semester session at the College brought students together for the Odoo Education Workshop led by Ummekulsum Bohari, the Odoo Education Officer for Africa. The event introduced Odoo's powerful open-source ERP platform, emphasizing its relevance to modern website and business solution development.

The workshop drew an impressive turnout of 65 BTEC-IT students, making it a lively and interactive experience. Participants were guided through Odoo's website development module, gaining insights into its features, user interface, and practical functions in creating professional business websites. Emphasis was placed on hands-on engagement, allowing students to immediately apply the concepts learnt in practical, real-world scenarios.

This session proved to be a valuable learning opportunity, equipping students with essential skills in ERP systems and website development. Beyond the

technical training, the workshop helped students understand how such tools can be integrated into their coursework and future careers in the fields of IT and
