Head's message

A warm welcome to each one of you as we begin the new academic year 2025–2026. I trust you all enjoyed a restful holiday, full of family moments and joyful memories. It is always a delight to see our children return to school with renewed energy and bright smiles, ready for fresh learning adventures.

This year, we are placing great emphasis on the well-being of our learners, parents, and staff. A happy child is a successful learner, and together we can nurture resilience, positivity, and kindness in every step of their journey.

To our new admissions and their families, a heartfelt thank you for choosing Oshwal Academy Nairobi Nursery. We are privileged to

welcome your lovely children into our community, and we look forward to watching them grow, explore, and thrive with us.

As we embark on this term, let us remember that learning is not only about academics, but also about developing strong values, positive behaviour, and the right attitude. Encouraging curiosity, responsibility, and respect at school and at home will empower our children to become confident, compassionate individuals.

The theme for this term is Sports. A dynamic flavour that will keep both learners and parents actively engaged. Sports teach teamwork, discipline, perseverance, and the joy of healthy competition. We encourage everyone to participate wholeheartedly, as we celebrate not only victories but also the spirit

of togetherness and growth.

Let us keep in mind the wise words of Nelson Mandela:

“Education is the most powerful weapon which you can use to change the world.”

With your support and the enthusiasm of our learners, we are confident this year will be filled with growth, joy, and memorable achievements.

Wishing you all a vibrant, dynamic, and successful term ahead.

Ms. Rooma Mali

**Head of School
Nursery Campus**

Nursery

WELCOME TO THE NEW ACADEMIC YEAR

The new academic year has officially begun. Following a restful break, our campus is bustling with enthusiastic students and dedicated staff, eager to embark on new educational adventures. A child's educational journey truly commences on the first day of school.

To foster a positive and welcoming atmosphere, we designated Monday, 25th August 2025, as "WELCOME TO SCHOOL DAY." We aimed to ensure that both returning and new students felt comfortable and excited about attending school.

For new admissions, the orientation took place on Tuesday, 26th August 2025. The children quickly settled into their classrooms, and the teachers engaged them in a variety of icebreaker activities, such as card-making, hat-making, painting, dancing, and outdoor games. The entire day was a resounding success, setting the stage for a productive and enjoyable academic year.

CRICKET FESTIVAL

On Tuesday, 26th August, our Kindergarten and Reception learners had a fantastic time at a Cricket Festival. It was a wonderful opportunity for the children to get hands-on experience with various games and activities related to cricket.

We saw a lot of fun, engagement, and enthusiasm as the young learners explored the different stations. The event was a huge success, fostering teamwork, coordination, and a love for the sport in a playful and engaging environment.

The children's excitement was clear, and it was a joy to see them having so much fun.

SKATE JAM

On Thursday, 28th August, our school hosted an electrifying Skate Jam event. Kindergarten and Reception learners had an incredible opportunity to showcase their skills and enjoy a day filled with skating, music, and fun.

The atmosphere was buzzing with excitement as learners of all levels participated in various activities and demonstrations. We saw impressive tricks, a lot of encouragement among peers, and huge smiles all around.

The event was a fantastic way to promote physical activity and community spirit in a lively and engaging way.

BADMINTON FESTIVAL

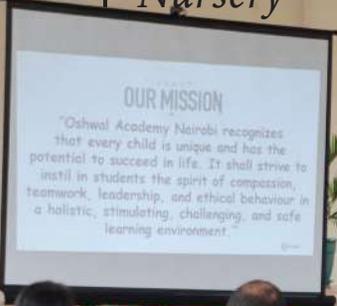

On Friday, 29th August, the Kindergarten and Reception learners had a fantastic time at a Badminton Festival.

It was a wonderful opportunity for the children to learn new skills and engage in friendly matches. They had a lot of fun exploring different games and activities, from balancing shuttles on their rackets to practicing hitting the birdie over the net.

The courts were filled with laughter and cheers as the young learners enthusiastically participated. The event was a huge success, fostering good sportsmanship, coordination, and a love for the sport in a fun and supportive environment.

Nursery

OPEN DAY & CURRICULUM ORIENTATION

Open day & Kindergarten, Reception Class Curriculum Orientation was held on Saturday, 30th August 2025, from 10 AM to 1 PM at the Nursery campus MPH 2. Ms. Rooma Mali, Head of the Nursery campus, and Ms. Chepngetich Koech, Deputy Head, introduced the school's mission and vision, as well as the committee members, academic consultant, coordinators, and teachers who contribute to the school's smooth operation, including the curriculum.

Parents were divided into groups: Year coordinators guided the groups on a tour, introducing them to various co-curricular stations.

This provided a wonderful opportunity for parents to see the diverse range of activities and

programs available to students.

Following the tour, parents were taken to their child's respective classroom for a more focused orientation session with the class teacher. The event was well-received, fostering strong communication and a sense of community between parents and the school staff.

On Saturday, 6th August, the school hosted Curriculum Orientation for parents of Playgroup and Preschool learners.

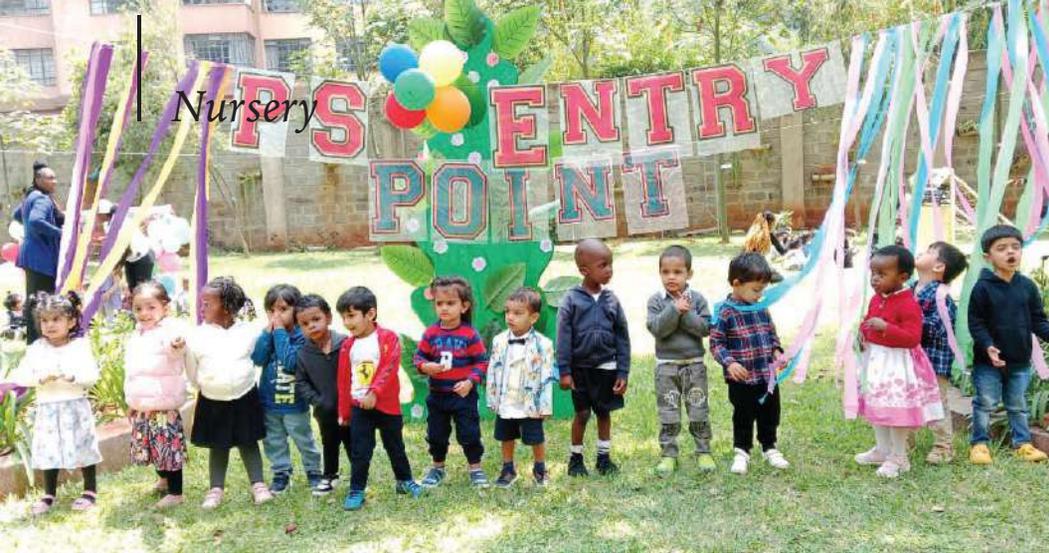

This event also provided a great opportunity for families to gain a deeper understanding of the curriculum and educational philosophy for the upcoming academic year.

PUPPET LAND

The "Puppetland" event, which ran from 16th September, included all streams from Playgroup to the Inclusive Education Department, and was a resounding success. This engaging and interactive series of performances provided a unique and valuable learning experience for our learners of all ages and abilities.

The puppetry shows were meticulously crafted to be both accessible and educational, utilising vibrant characters and captivating storylines to impart important lessons on a range of subjects, such as the Unit of Work.

UNIT OF WORK ENTRY POINT

The school recently inaugurated its new units of work through a series of celebratory events known as "entry points."

The primary objective of these celebrations is to establish a thematic connection between the curriculum's learning experiences and learners' daily lives, thereby deepening their understanding of particular topics, skills, and strategies for application both within and beyond the classroom.

On Tuesday, 2nd September 2025, the Preschool classes celebrated their unit of work, "Let's Have a Party," with a festive event held on the school field. The celebration featured a range of engaging activities, including a simulated birthday party and sports, which

served as an immersive introduction to their new academic theme.

Following this, the Kindergarten and Reception classes held their respective entry point celebrations for the units "Chattering Box" and "Minibeast." The Kindergarten classes' event took place on Wednesday, 3rd September 2025, while the Reception classes' celebration was held on Thursday, 4th September 2025.

Both events were hosted at MPH2 and the school field. Each class stream curated a unique set of activities and displays, all meticulously aligned with their unit of work, providing a dynamic and educational preview of the upcoming learning content.

MUSIC AND MOVEMENT

On Friday, 20th September our preschool classes had a fantastic time at their Music and Movement event. Parents were also invited to attend, adding to the joyful and communal atmosphere.

The children were fully engaged in a variety of activities that combined energetic games with joyful music and dance. The room was filled with laughter and excitement as the young learners followed along with the rhythms and moved to the beat.

The event was a wonderful way to foster creativity, coordination, and a love for music in a fun and interactive environment, shared with their families.

EDUCATIONAL FIELD TRIPS

Educational field trips play a major role in giving learners first-hand practical experience. This term, learners were able to visit various places and explore the unit of work. Each class was divided into groups.

Our Reception learners visited the Kono Farm on the 1st and 2nd of September 2025.

Kindergarten learners visited Bounce and Play on 4th and 5th September 2025.

Preschoolers visited Wistling Moran on the 9th of September 2025.

Inclusive Education Department learners visited Sarit Centre on 10th September 2025.

The trips were educational and a great success. Learners were very excited and had a lot to share about their experiences.

KINDERGARTEN READING WORKSHOP

Reading proficiency, which includes fluency, competence, and comprehension, is not solely developed through word decoding. This essential skill is cultivated through a comprehensive approach that relies on a strong partnership between teachers and parents.

To emphasize this shared responsibility, our school hosted a Reading Workshop for all Kindergarten parents. The event, held in the Mph2 on Wednesday, 10th September 2025, at 2:30 PM, was designed to provide valuable strategies and insights to support their children's reading journey.

PIPPSA U6 ATHLETICS

On Wednesday, 24th September, our school proudly hosted a friendly PIPPSA U6 Athletics event. The occasion brought together approximately 60 external learners and 24 of our own Reception learners, all of whom showcased great energy and sportsmanship.

It was a wonderful opportunity for the children to engage in a fun and supportive athletic environment.

Following the events, all participating learners were proudly awarded certificates, recognizing their effort and enthusiasm.

NAVRATRI DHAMAKA

On Friday, 26th September 2025, the Oshwal Centre's Karania Hall was filled with vibrant energy for the Navratri Damaka celebration.

The festivities, which kicked off at 3:30 PM, brought together our school's learners and their parents for an evening of lively music, traditional dance, and joyful revelry.

The enthusiastic participation and colorful attire created a festive and memorable atmosphere. Following the main event, attendees enjoyed light refreshments, providing a perfect end to the vibrant celebration.

IED - BENEFITS OF CO-CURRICULAR ACTIVITIES

Co-curricular activities offer numerous benefits for exceptional learners aged 2 to 10 years, helping to develop essential social skills such as communication, cooperation, and teamwork.

These activities also boost self-esteem and confidence as learners acquire new skills. Beyond social-emotional growth, engaging in various activities—from physical

pursuits like P.E. and swimming to creative outlets such as ICT, art, and music—contributes to overall physical and mental well-being.

Ultimately, participating in these programs helps exceptional learners connect with their peers and foster a vital sense of belonging within the school community.

IEP MEETINGS: 22/09/2025 – 26/09/2025

Individualized Education Programs (IEPs) are carefully crafted by collaborative teams consisting of experts from various disciplines within our school. These dedicated teams work with family members to create comprehensive plans tailored to each student's unique needs. Through open dialogue and shared insights, we strive to create an environment where every student can thrive and reach their full potential.

Our Inclusive Education Department recently organized IEP meetings from Monday, 22nd September, to Friday, 26th September 2025, from 2:30 PM to 4:00 PM. We value the invaluable time and contributions of parents and believe that with the unwavering determination of teachers, students, and family members, the goals outlined in these IEPs will be achieved in due course.

MONTESORI PLAY

On Saturday, 27th September 2025, the school successfully hosted a Montessori Play Event for its Playgroup learners and their families.

The morning began with a guided session from 10:00 AM to 11:15 AM, where parents were invited to assist in various Montessori-inspired play activities, fostering a unique opportunity for quality bonding.

In the spirit of the event's theme, "Play, Bond & Grow – A Montessori Morning Together!", the children and their parents engaged in joyful exploration and discovery.

Following the structured session, families continued to enjoy a relaxed atmosphere with free play in the sandpit and shared home-packed healthy snacks on the school field. The event was a wonderful way to reinforce the school's educational philosophy and strengthen the partnership between school and home.

RECEPTION AWARDS FOR SEPTEMBER

“Every child shines in their own way – we celebrate both the mind and the heart.”

At Oshwal Academy Nairobi Nursery, we take pride in recognising and celebrating both reading milestones and non-academic excellence. These awards encourage children to shine not only in their literacy skills but also in creativity, confidence, kindness, and overall growth.

Objectives

1. To acknowledge and celebrate learners' efforts in reading and overall development.
2. To encourage children to value perseverance, creativity, and social skills alongside academics.
3. To build self-confidence and motivate learners to explore their unique strengths.
4. To lay a strong foundation that

prepares learners for a smooth transition into Year 1.

Benefits

1. Enhances motivation and fosters a positive attitude towards learning.
2. Builds character by valuing both academic and non-academic talents.
3. Strengthens children's communication and social-emotional skills.
4. Encourages a balanced approach to education where effort, curiosity, and kindness are appreciated.

Learning Outcomes

1. Development of strong reading habits and comprehension skills.
2. Improved self-expression and confidence in sharing ideas.
3. Growth in teamwork, empathy, and resilience.
4. Readiness for Year 1 with a holistic foundation in academics, social,

and emotional learning.

At Oshwal Nursery, we believe that a child well-prepared for Year 1 is one who is confident, curious, and compassionate. By recognising reading and non-academic excellence, we ensure our learners step into Year 1 not just academically ready, but also emotionally grounded and eager to take on new challenges.

Head's message

A new Academic year comes with new hopes and aspirations. We at Oshwal Academy Nairobi Primary always welcome the new academic year with outstretched arms.

Our goals remain the same but with new efforts and strategies. New energies channelised in new directions. Remember the final aim remains the same. Remember 'Strategy is about shaping the future'.

Our staff happily welcomed the learners back to school. It was delightful to see the candid smiles

of happiness on the faces of our learners, as they came to school. First term has always been an eventful term at Primary, with two mega events the Annual Sports day and Annual School Day within the opening month.

Amazing to witness the Sports department get into action, immediately with training for Sports day. Simultaneously preparations for Annual School Day went on. A hectic start as always. Hard work always bears fruits and both events went on, just as well as could be. As we continue our journey through the first term, I would like to assure you that at Oshwal Primary we are set out to have an eventful year, in terms of

academics and overall growth of our learners. The Academic lessons for the year 6 are in full swing as we are approaching the Mid term break.

We request support from all stakeholders to make this happen. A special request to parents to have channels of communications and feedback open between home and school. We look forward to an amazing year coming up.

Asante sana and God bless!

Ms. Anjana Vijayan
**Head of School
Primary Campus**

A Warm Welcome to the New Academic Year!

As we step into Term 1 of the new Academic Year 2025–2026, we must acknowledge that the energy and excitement from all the parent's staff and students is truly infectious. On Monday 25th August 2025 being the first day of school in term 1, students were warmly received by Primary campus staff.

As the students alighted from their vehicles during the drop off time and others walked through the gates accompanied by their parents, the visible smiles on their faces, joy and excitement was a clear sign of renewed energy and readiness to embark on a new academic journey. Unforgettable memories were created as our students stood in front of welcome banners for a school photo. The atmosphere was also electric as our music station played and sang great welcome songs.

On the same day, a warm welcome was extended to our new students and parents at Primary campus as they step into a fresh academic year filled with promise and potential. Cheerful greetings from the Heads of Year Groups and the Senior Leadership Team, who extended their heartfelt wishes. The atmosphere was made even more special with melodious music that set a joyful and uplifting tone for the day. Beautiful start to a journey of learning, growth and new beginnings!

During Our First Morning School Assembly on Friday 29th August 2025, the new academic year began on a high note as the Head of School Ms. Anjana Vijayan warmly welcomed all of us back to school. New students joining our school for the first time were given an opportunity to introduce themselves stating their names, former school and their hobbies. We were excited to welcome them to the big family.

Primary

Year 1's First Day at Primary Campus

"The journey of a thousand miles begins with a single step." — Sun Tzu

We were thrilled to welcome our anxious and curious Year 1 students on Tuesday 26th August 2025 as they began their exciting journey at Primary Campus. The atmosphere was filled with joy and excitement as both students and parents posed happily with our vibrant welcome board for a photo creating unforgettable memories on their first day at Primary Campus. It was heart-warming to see the little ones confidently clicking photos, capturing the special moment with proud smiles.

A wonderful start of the journey in a new environment to our Year 1's as the Head of school warmly received and welcomed them to our school. The signs were very clear for a promising group of young boys and girls as the class and assistant teachers happily received them to start the day. A warm welcome to our Year 1's.

Prefects' Training/Team Building Session at School

"A leader is one who knows the way, goes the way, and shows the way".

On Saturday 30th August 2025, the newly appointed set of prefects took part in their first Prefects' Team Building and Training. The prefects' training focused on emphasizing action over title, leading by example, empowering others and fostering confidence and growth.

The Head of school, Pastoral coordinator and the entire Behaviour Management Team took the prefects on a series of tips to make them understand their roles and responsibilities, build teamwork and collaboration and develop essential leadership skills. During this training, they were taken through best practices of decision-making, conflict resolution, time management, and how to lead by example. Fun filled and enjoyable team building activities were conducted in the school field to promote leadership, communication and collaboration skills among the prefects.

Primary

Our Morning School Assembly

"Every day must be the day to learn something new".

Our morning school assemblies creates an opportunity for both staff and students to learn something new and get entertained through various presentations that are usually done. Our morning assemblies kicked off very well for term one. The Music department set the pace for presentations with an Instrumental Music performance as well as a wonderful dance performance from a group of girls. This term, Year 2 students with the theme Music Genre, and Year 5 students with the theme Life cycles of flowering plants were tasked to do class presentations.

Class 2A staged their Music genre- Amapiano a South African genre of house music that emerged in the early 2010s, blending deep house, jazz, and lounge music with a distinct South African flavor. Amazing narrations accompanied by beautiful songs and dances made class 2A presentation outstanding. Class 5A had a

captivating class presentation as they took us through parts of a flower in a dramatic way. They clearly explained the functions of different parts of a flower and reinforced the same with a beautiful song. Class 2B staged a colourful Music genre- Apatou.

They took time to explain the Music genre and culminated their presentation with wonderful lyrics. Class 2C delivered, a vibrant and engaging assembly presentation centred on the music genre Reggae, celebrating its rich cultural roots and global influence.

The students showcased their understanding of Reggae through a colourful blend of music, movement and storytelling. Dressed in themed attire and accompanied by rhythmic beats, they highlighted key elements of Reggae—its origins in Jamaica, its connection to messages of peace and unity, and iconic figures like Bob Marley. Class 5B did an informative class presentation on the process of pollination in plants.

ASSEMBLY AWARDS

Primary

Year Group Meetings

School year group meetings play a very significant role in our school because they promote collaboration and shared best practices among teachers, improve student support and outcomes by fostering a consistent approach to learning.

On Monday 1st September 2025, each year group held their first-year group meeting for the new academic year 2025-2026 organised by the Head of year group and teachers in that specific year group. During this meeting, the teachers welcomed all the students to the year group, shared crucial insights that will drive the year group, aligned teaching strategies, addressed challenges that might be faced by the student and how to overcome them as well as where to seek help.

Housekeeping tips were shared and good behaviour reinforced all with an intention of building a collective understanding of best practices, ultimately benefiting the entire school community.

Year 1,2 and 6 Meet and Greet Session

"Coming together is a beginning. Keeping together is progress. Working together is success." - Henry Ford.

At primary Campus we are always deliberate to create time and space for teachers to interact with parents at the beginning of a new academic year. On Saturday 6th September 2025, it was a great opportunity for the Year 1,2 and 6 parents to meet the new class teacher of their ward for a very interactive session of the Meet and Greet. Parents were taken through all our academic and non-academic activities and

expectations for the new academic Year 2025-2026.

Working patterns, relationships and standards were set to ensure our students benefit and enjoy the most while in school. It was also a great platform to clarify concerns and a time for mutual understanding so that the transition of the students to a new class and year is seamless.

Year 6 parents were also taken through Checkpoint briefing to be brought on speed on the upcoming 2026 Checkpoint Examination preparations.

House Meetings

"Talent wins games, but teamwork and intelligence wins championships" by Michael Jordan.

House meetings are smaller families at Primary Campus that brings us together to deliberate on inter-house competitive school events. Collaboration, team work and house spirit is what keeps strong bonds within the house members.

On Monday 8th September 2025; Venus, Mars, Neptune and Saturn house members gathered mainly to strategize on how to emerge victorious in the upcoming Annual Sports Day that was held on Saturday 27th September 2025.

It was also an exciting moment for the house members to vote for their house captains and their deputies.

Year 3, 4 and 5 Meet and Greet Session

"Together, we can make a difference in your child's educational journey."

At primary Campus we are always deliberate to create time and space for teachers to interact with parents at the beginning of a new academic year.

This helps to establish a strong partnership between the parents and the teachers with a clear intention of creating a support system to the child. On Saturday 13th September 2025, it was a great opportunity for the Year 3,4 and 5 parents to meet the new class

teacher of their ward for a very interactive session of the Meet and Greet.

Parents were taken through all our academic and non- academic activities and expectations for the new academic Year 2025-2026. Working patterns, relationships and standards were set to ensure our students benefit and enjoy the most while in school.

It was also a great platform to clarify concerns and a time for mutual understanding so that the transition of the students to a new class and year is seamless.

Primary

Year 1 and 2 Parents Library Day

“Libraries allow children to ask questions about the world and find the answers. And the wonderful thing is that once a child learns to use a library, the doors to learning are always open” – Laura Bush.

We at Oshwal Academy Nairobi Primary desire to develop a reading culture in our learners. The habit of reading, if inculcated at an early age, helps in brain development and enhances imagination. It is never too early to read for a child to build this habit. It's a gift of a lifetime. In line to this, we have a reading program for all classes that is conducted by our teachers. On Saturday 20th September 2025, Year 1 and 2 parents had the privilege to

interact with our school Librarians for a very informative session geared towards promoting the reading culture especially for our students.

The intention was very clear that we need to collaborate as educators and the parents to support our students so that they can develop good reading habits and skills.

Our school counsellor also had an opportunity to share a few tips on how best parents can understand their child. A very fruitful session that will go a long way to assist parents in understanding and managing our learners better.

INLINE SKATING CONTEST 4TH EDITION

The exciting Inline Skating Contest organized by Oshwal Academy Nairobi Primary in collaboration with Glide Skates Limited was held today Saturday, 20th September 2025 in our school gym. This race offered a fantastic opportunity for the participants to show case their skating skills in a competitive setting.

The venue provided a suitable and safe environment for the young skaters to compete, challenge their skating skills and enjoy themselves. The event featured multiple race distances and categories to accommodate participants of all skill levels.

Primary

Parents Sports Clinic

Our Parents Sports Clinic was held on Wednesday 17th September 2025 at Primary Campus Gym. It was a very informative session as the parents got to learn more about the School Sports Calendar, the selection process for various teams, open morning trainings and a lot more in order to help and guide their child towards sporting excellence. Parents attendance was either in person or virtually.

WANGARI MAATHAI ANNIVERSARY COMMEMORATION

Invited by the Karura Forest Environmental Education Trust (KFEET) and Friends of Karura Forest (FKF) a delegation of twenty year -six students and two teachers joined the rest of the teams at Karura forest on Thursday 25th September 2025 in commemorating the 14th anniversary of the passing of Prof. Wangari Maathai, an inspiring champion of conservation.

Our students staged a short 5-minute skit under the theme: "Honouring Wangari Maathai: Small Actions, Big Impact". Their skit addressed the importance of planting trees and conservation of forests. The students and the teachers also an opportunity to engage in a walk around the Karura forest and a tree planting programme.

Jubilant Navratri Celebrations at Oshwal Centre

Navratri is a nine-night celebration followed by Dussehra. It is the most awaited and auspicious Hindu festival that entails nine days and nine nights of fun, frolic and worship of Maa Durga. In most parts of India and worldwide, people adorn themselves in vibrant attire for all nine nights and engage in the lively Garba dance.

On Friday 26th September 2025, Oshwal Academy Nairobi Primary Campus together with our sister Campus Oshwal Nursery, joined hands for Navratri Celebrations at Oshwal Centre featuring Garba and Dandiya-Raas. Parents,

students and staff turned up in large numbers looking gorgeous in their glamorous outfits and showcased graceful styles of dance along with Dandiya sticks in pairs. A very beautiful event was witnessed as the congregation dressed in colourful traditional outfits, danced to their best and took a moment to make prayers. The thrilling event was a great success reminding us of the importance of the festival as it symbolizes the power of good over evil. It also reminds us to walk the path of righteousness with Maa Durga`s blessings. Jai Maa Ambel! Jai Maa Durga!

Inclusive Education Department

A Joyful Start to the New Academic Year.

The new academic year began with great enthusiasm and excitement as learners returned to school with bright smiles and renewed energy.

The campus was filled with cheerful greetings, laughter, and a sense of anticipation for the year ahead. Teaching and learning resumed seamlessly from the very first day, with students eager to engage in classroom activities and explore new concepts. Their positive energy set a wonderful tone for the term and inspired teachers to make the learning experience even more meaningful.

Adding to the excitement, students also began their practice for the upcoming Sports Day right from the opening week. The playground came alive with the sounds of drills, cheers and teamwork as students prepared for the much-anticipated event. This enthusiastic start reflects the learners' eagerness to grow, learn, and participate actively in all aspects of school life — both inside and outside the classroom.

Sports Department Round-Up

September has been a dynamic and rewarding month for the Sports Department at Oshwal Academy Nairobi – Primary, marked by high levels of student participation, inclusive programming, and successful execution of key events. The department remains committed to fostering physical development, teamwork, and holistic growth across all year groups.

The month of September at our Primary Campus was a hive of purposeful sporting activity. Students from Year 1 to Year 6 participated in practice sessions and selection trials ahead of the Annual Sports Day scheduled for Saturday, 27 September 2025. The atmosphere across fields and poolside was energetic and positive, with pupils demonstrating commitment, teamwork, and joy in learning.

Annual Sports Day – A Resounding Success.

The highlight of the month was the Annual Sports Day, held on Saturday, 27th September 2025.

The event was divided into two sessions to accommodate developmental stages:

- Morning Session: Featured Year 1, Year 2, and the Inclusive Education Department. Students engaged in obstacle races and flat sprints, with tailored support ensuring full participation and enjoyment.
- Mid-Morning Session: Involved Year 3 to Year 6 students, who competed in a variety of track events including relays and individual races. House spirit was on full display, with students proudly representing their houses.
- The event drew strong parental attendance and was praised for its organization, inclusivity, and positive atmosphere. Staff collaboration and student enthusiasm contributed to a memorable day that reinforced the Academy's values of unity, perseverance, and sportsmanship.

Weekly PE Lessons and Skill Development

Throughout the month, regular Physical Education lessons focused on:

- Fundamental movement skills for Lower School students.
- Team-based games and strategy for Upper School learners.
- Adaptive activities for students in the Inclusive Education Department.

Cross-curricular links were embedded into lesson plans, integrating mathematics (timing and measurement), language (descriptive feedback), and social-emotional learning (teamwork and resilience).

PIPSSA Bikeathon Triumphs

- Our school cycling team represented us at the PIPSSA Bikeathon hosted by Potterhouse School.
- The team delivered an outstanding performance, securing multiple podium finishes and bringing home a collection of gold, silver, and bronze medals.

Their determination and discipline were truly commendable—well done, cyclists!

Inter-School Football Fixtures: Building Character Through Competition
September also saw our U7, U9, and U11 football boys' and girls' teams engage in friendly fixtures with neighbouring schools, offering valuable opportunities for skill development and sportsmanship:

The U7, U9 and U11 squads played Strathmore school, Premier Academy and Makini schools showcasing impressive coordination and early tactical awareness. Across all matches, our players upheld the highest standards of fair play and mutual respect. Coaches noted significant growth in positional understanding, communication on the field, and peer support. These fixtures not only enhanced technical skills but also reinforced the importance of character and collaboration.

Head's message

I warmly welcome you all to the new 2025/2026 academic year. We begin this year with renewed energy, and I would like to extend my heartfelt gratitude to you for your robust support throughout the 2024/2025 academic year.

It was a year filled with memorable achievements, and your encouragement continues to inspire our students and teachers to strive for excellence. I am delighted to share that our students have settled in seamlessly for Term One, and teaching and learning are ongoing in earnest. Already, September has been an action-packed month with numerous highlights that reflect both our academic and co-curricular vibrancy.

Sports and Competitions

This month marked the selection of our school teams, and they have already begun playing in the KAISSE league, starting off with a commendable streak of wins. Their determination, teamwork, and discipline are praiseworthy, and we look forward to even greater success in the weeks ahead.

Annual Cross Country at Karura Forest

One of the key highlights of September was our annual

cross-country event at Karura Forest. The atmosphere was exhilarating as students pushed themselves to perform at their very best. The dense forest canopy provided the much-needed cool shade from the sun, making the run both challenging and enjoyable. It was a day of endurance, resilience, and pure school spirit.

Navratri Celebrations

In keeping with our tradition of celebrating cultural diversity, the school came alive with pomp, colour, and rhythm during our Navratri ceremony. Students and staff joined hands in vibrant dance and festivities, reminding us of the importance of culture, unity, and joy in our school community.

P.A. Bronze Expedition – Olepolos, Kajiado

Our P.A Bronze students embarked on their pre-bronze expedition to Olepolos in Kajiado County, where they faced the rugged outdoors with courage and enthusiasm. Trekking through dusty trails, setting up camps, cooking their own meals, and navigating the unfamiliar terrain offered them an unforgettable adventure. It was a true test of teamwork, resilience, and self-discovery—a memory that will inspire them as they continue their P.A journey.

Annual School Day & Prize Giving Ceremony

The icing on the cake for September was undoubtedly our Annual School Day and Prize Giving Ceremony, a day dedicated to honouring the exceptional achievements of our students in both academics and co-curricular activities. The event was a resounding success, filled with colour, joy, and celebration. A record 640+ awards were presented, recognizing the outstanding efforts of our young achievers. The day was not only a celebration of success but also a reflection of the values and spirit that define our school.

As we move forward into October, I am confident that our students will continue to shine brightly—both in and out of the classroom. Thank you once again, dear parents and community members, for your steadfast partnership. Together, we continue to nurture well-rounded learners who are ready to make a difference.

WELCOME BACK TO A NEW ACADEMIC YEAR 2025/2026

After two months of summer holiday, we came together for our first assembly of the new school year. The Head of School welcomed everyone back, especially new students and staff, and reminded us of the importance of starting the term with focus, respect, and a positive spirit. Students were encouraged to set goals, make the most of their talents, and take part in school activities. The assembly closed with a reflection on gratitude and determination, setting a hopeful tone for the months ahead.

YEAR 9 CAREER TALK FACILITATED BY CAREERS COUNSELLOR MS. MAKENA

Our Year 9 students attended an insightful Career Talk as part of their subject-selection journey. As Year 9 marks a key transition point, the session helped students understand how their subject choices now can shape their future paths. They explored how different subjects link to various careers and were encouraged to align their choices with their interests, strengths, and long-term aspirations. The guidance offered will support them as they begin to map their academic and professional futures.

YEAR 10 CAREER TALK

Year 10 students recently attended a career talk led by our Career Counsellor, Ms. Makena, focused on preparing them for future work placements. The session highlighted practical skills, workplace expectations, and strategies to help students gain confidence as they step into real-world environments. It was a timely opportunity for them to reflect on their career interests and how best to approach the experience ahead.

Junior High

YEAR 7 ORIENTATION AT THE AUDITORIUM

As an institution, we have a culture, and we are guided by core values such as trust, honour, integrity, courtesy, tolerance, compassion and humility. It is our tradition to give proper orientation to the new students who join us so that they can easily adapt and become part of our family. This term the year 7 students officially joined Junior High and were welcomed with open arms. After which they congregated in the Auditorium for an orientation meeting with their Head of Year, Year Proctor, Home Room Tutors and the Senior Leadership Team.

At this special assembly, they were welcomed on the first day and briefed on the procedures of seeking assistance while in the school. They were advised to take care of their property and always uphold discipline both in and outside the classroom. We shall continue to support them and assist them in their onboarding process.

ANNUAL CROSS COUNTRY

As a matter of tradition, we organize cross country which is held at the famous Karura Forest. Apart from being a way of exercising and keeping fit, it serves as a constant reminder to our students that we need to conserve and protect our environment. Karura Forest is well preserved and protected from potential land grabbers and illegal lumbering which would lead to deforestation. On 24th of September, the entire Junior High fraternity embarked on an annual noble cause. All students arrived in school at 7:30 am and year 7 - 11 as well as Inclusive Education Department (IED) and headed to Karura Forest. As part of the requirements, our students needed to embrace the rules and regulations governing Karura Forest, key of which was to desist from carrying disposable bottles which would litter and degrade the environment. Cyclists were patrolling the routes to watch out for those in need of first aid and water. The event was quite peaceful, and we are all proud of our student's ability to take care of themselves and maintain a high standard of discipline.

ANNUAL SCHOOL DAY IN PICTURES

Junior High

SCHOLARS FESTIVAL DEBATING CHAMPIONSHIP AT STRATHMORE UNIVERSITY

Our students did us proud; they gave their best beyond measure at the Interschool Scholars Festival Debating Championship held at Strathmore University. Congratulations to Sohan Shah, Nuru Romana, Elsie Kamanda, Joan Magu, Adaa Din and Avleen Kaur for winning best debaters medals and showcasing exceptional skills.

Their dedication, teamwork, and persuasive abilities set a high standard for competitive debating. We are proud of their achievements and grateful for the effort they put into representing our school with excellence. This success inspires all our students to strive for greatness in academics and beyond. Well done to our medalists and the entire debating team!

RECOGNITION OF PRAYAN GUPTA OF YEAR 9C ACHIEVEMENT IN CHESS TOURNAMENT

We are proud to share that Prayan Gupta of Year 9C attained 1st position in the under-15 boys age category at a chess tournament, which was held at the Hindu Council of Kenya on 6th September 2025. He won an impressive 6 out of 6 rounds. Prayan dedicated significant time and effort to preparing for the competition, and his commitment truly paid off. Congratulations on this well-deserved success!

YEAR 7 CAREER TALK: WHAT IS A CAREER?

Our Year 7 students enjoyed an engaging career talk facilitated by our Career Counsellor, Ms. Makena. They explored the question "What is a career?" and learned that it is more than just a job, it is a journey shaped by passions, skills, and choices.

Junior High

YEAR 11 INTERNATIONAL UNIVERSITY FAIR AT OSHWAL ACADEMY NAIROBI SENIOR HIGH

Our Year 11 students had the opportunity to attend the International University Fair at Oshwal Academy Nairobi Senior High this past week. The event brought together representatives from a wide range of universities across the world, giving students a chance to explore courses, ask questions, and learn about future study options.

While university may still feel some years away, the fair provided an early opportunity to broaden their horizons, understand what different institutions offer, and start thinking about the subjects and skills that will prepare them best. Experiences like these help our learners make more informed choices and motivate them to stay focused on their academic journey.

PRO ACTIVE FLIGHT TRAINING DELIVERS CERTIFICATES TO WORK PLACEMENT STUDENTS

Oshwal Academy Nairobi, Junior High was honoured to host representatives from Pro Active Flight Training Air Services for a special occasion. The program manager, Mr. Anthony and his colleague Mr. Timothy, visited the school to present certificates to students who successfully completed their work placement in June 2025.

The placement gave our students a valuable opportunity to experience first-hand what it takes to work in the aviation industry, from technical knowledge to professional skills. The students receiving certificates were Nitik Khetani of Year 11D, Tanay Mitesh of Year 11C, Harjeet Singh Umesh of Year 11D, Kavy Jignesh Sawla of Year 11C, and Avia Harshit Gudka of Year 11E. Their dedication and enthusiasm throughout the program were commended by Mr. Anthony.

This highlighted the importance of partnerships that prepare young people for future careers.

KAISSO AND IPSSA GAMES IN PICTURES

Sports contribute greatly to physical fitness, overall health, and mental and emotional well-being while building self-confidence.

Throughout the month, our students have actively participated in a range of sporting activities that support their all-round growth and development.

Head's message

I hope this message finds you all in good health and high spirits. As we step into the 2025-2026 academic year, I am delighted to welcome each of you to Oshwal Academy Nairobi - Senior High.

It is a joy to see our school community come together, filled with excitement and possibilities. To our new students at Year 12 and parents, we're delighted to welcome you to the Oshwal family. We are committed to nurturing your child's growth and fostering a sense of belonging.

To our Year 13 students, I extend a warm welcome back. Your dedication to learning and support for one another makes our school truly special. Keep pushing boundaries and embracing challenges as opportunities to grow.

This first term is going to be an exciting one, with a mix of academic and non-academic activities. Our teachers are working tirelessly with students to help them achieve their goals and discover their passions. I would like to express my heartfelt gratitude to the teachers for their dedication,

and unwavering support for our students' well-being. As we journey through the year together, let us stand united and create an environment where excellence thrives.

This newsletter gives you a glimpse into the amazing activities we have had in September. Enjoy reading and stay connected.

ANNUAL SCHOOL DAY

The Annual School Day is always a highlight of the year, and this year's celebration was no exception!

On September 13, 2025, Oshwal Senior High Campus at came alive with enthusiasm and excitement. The day began with a heartfelt prayer and a soulful song, setting the tone for an unforgettable event.

Our talented Year 12 students stole the show with a captivating graceful dance performance that left everyone in awe.

Mr. Suhash Ratilal Shah, OE&RB Chairman, welcomed everyone with warmth and gratitude, acknowledging the hard work of our students and staff. We were honored to have distinguished guests, including Mr. Mukesh Velji Savla, OE&RB Vice-Chairman, Mr. Nirmal Kirit Shah, OE&RB Hon Secretary, Dr. Jamsit Shah, SH Campus Committee Chairman, Mrs. Jyotsna Chotai, Academic Consultant, Principal, Mr. Vijender Sharma who joined us to celebrate our achievements.

The prize distribution ceremony was a special moment, recognizing the outstanding academic accomplishments of our students under CAIE, Pearson Edexcel, and BTEC examining boards.

The Head of School, Mrs. Vibhanshu Sharma, presented a comprehensive school report, highlighting the students' academic excellence and co-curricular achievements.

It was wonderful to see our students shine, and we're grateful to everyone who made this event possible. Thanks to our staff, students, and parents for their support and enthusiasm!"

Senior High

YEAR 12 BTEC ART AND DESIGN STUDENTS' VISIT TO NAIROBI ART GALLERY

On 18th September, 2025, the Year 12 Art and Design students embarked on an educational visit to the Nairobi Art Gallery located on Moi Avenue, Nairobi.

The Nairobi Art Gallery houses a diverse collection of artefacts, prominently featuring pieces from the Murumbi Collection and the African Heritage House. This extensive collection showcases the rich tapestry of African heritage, including sculptures, textiles, jewellery and traditional crafts.

The main objectives of the trip were:

Skills enhancement: To enhance the students' understanding of African culture and art, which is pivotal for their ongoing Unit A1: Skills Development.

Exposure to African Art: To familiarize students with various forms of African art and cultural artefacts.

Data Collection: To gather first-hand information and visual references for their Unit A1 assignment focused on African culture.

Skill Development: To encourage

critical observation and analysis of artistic techniques and cultural significance in art.

Engagement with Experts: To allow students to interact with art professionals and gain insights into the curation and preservation of art. The guided tour provided an enriching experience that connected theoretical knowledge with practical insights.

The students were provided with detailed explanations of various sections of the gallery, highlighting key aspects.

They observed a range of artefacts, including traditional masks, sculptures, and pottery, each with unique stories and cultural significance. They learned about various artistic techniques used in the creation of the displayed works, fostering a deeper appreciation for craftsmanship.

The visit proved to be highly beneficial for the students as they gained insights into the diverse cultural expressions represented in the artworks, enriching their

knowledge base for their assignments.

The tour encouraged students to develop their observational skills, enabling them to analyse the aesthetics and cultural narratives behind the artworks. Their exposure to authentic artefacts provided students with inspiration and concrete examples to reference in their projects, allowing for a more informed approach to their work.

The interactive nature of the tour facilitated engaging discussions among students, fostering collaborative learning.

The visit successfully met the trip's objectives by providing exposure to African art, enhancing their understanding of cultural contexts, and supporting their on-going assignments.

The students left the gallery inspired and equipped with valuable insights that will contribute to their artistic development and appreciation of African culture.

Senior High

STUDENTS TRIP TO BROWN CHESSE COMPANY

The trip served to educate the students on varieties of cheeses, in addition to the other food products Brown's Food Co. also produces which include:

- Butter, organic milk, and yogurt.
- Natural ice cream and sorbet.
- Gourmet dips and jams
- Artisanal crackers and baked goods.
- Plant-based products under their sister brand, Grove + Meadow.

This gave the students insight on how to create different business ideas, with the impact of innovation and technology and how Brown Cheese sustains the business with eco-friendly systems to the environment. (Unit 2: Environment and Sustainability in the Hospitality Industry).

Our well spoken and confident students were very engaged in the activities within the day and open to asking questions.

It gave the students an opportunity to learn the various products derived from milk, techniques used to make cheese, vinegar, salad vinaigrette, plant-based products, dairy and non-dairy products.

The students were given a tour of the cheese factory and the farm with a demonstration of cheese making. From the pastry section they were guided on the procedure for making sour-dough bread and lastly a cheese tasting session with samples of 8 to 10 handcrafted cheeses with homemade bread, crackers, and chutneys.

BTEC PARENTS' FORUM

The BTEC Parents' Forum was held on Thursday, 4th September 2025 was very well attended. It was an opportunity for BTEC teachers to deliver their subject-specific presentations which offered greater insights into the BTEC qualification curriculum.

The forum served as an opportunity to establish a collaborative tripartite relationship among the school, parents, and students that aims at creating a shared responsibility and ensuring the holistic success of every learner.

YEAR 12 PARENTS FORUM

Parent -teacher meetings provide opportunities for parents to receive detailed information concerning the child's learning environment. They offer a platform that facilitates vital communication, enabling parents and teachers to share insights into the child's learning environment and overall well-being in school. Year 12 parents meeting was held on 16/9/2025 at the school Multi-Purpose Hall.

The meeting was successful with a high number of parents in attendance.

Senior High

FIRST AID TRAINING

A First Aid Training session was successfully held on Saturday, 6th September 2025 at Oshwal Academy Nairobi Senior High. The event took place in the Multi-Purpose Hall.

The main objectives of the training were to provide learners with fundamental knowledge of first aid principles, equip students with practical skills to handle minor injuries and emergencies, create awareness of the importance of safety and prompt medical response, and build confidence in learners to act responsibly during emergency situations.

The session was highly interactive, combining lectures, demonstrations, group discussions, and hands-on practice. Learners were given opportunities to participate in simulated emergency situations to test their understanding. The students acquired essential knowledge and confidence to provide first aid, demonstrated competence in CPR and other life-saving skills, and gained awareness of safety measures to prevent accidents. The training left the students better prepared to handle emergencies both in school and in their daily lives.

MOUNTAINEERING CLUB

On Saturday 20th September 2025 our students took part in the Annual Kenya Society for the Blind Mt. Longonot climb 2025. The aim of this climb is to help raise funds towards supporting learners with visual impairment acquire quality inclusive education by:

- Providing digital assistive technology devices, magnifiers and low-vision devices.
- Providing adequate supply of white Canes and mobility devices.
- Providing Braille Machines and ensure they are maintained.
- Providing adequate supply of Braille Papers.
- Ensuring availability of adequate learning material in accessible formats.

- Providing Universal Braille kits.
- Training Braille Transcribers and school-based Technicians on repair and maintenance of Braille equipment.

A total of 100 students participated in the activity and represented Oshwal Academy Nairobi Senior High. They had an opportunity to interact with their peers from other school and also assist the visually impaired persons climb the mountain.

This event will remain entrenched in their lives for a long time.

Senior High

PREFECTS TRAINING AND TEAM BUILDING HELD AT LAKE OLOIDEN FLAMINGO CAMP

The students serving as school prefects for the academic year 2025 /2026 academic year took part in a training and team building session. The training was to equip them with vital leadership and inter-personal skills.

The students benefited from the different topics discussed which included:

- Communication and protocol.
- Responsibility.
- Commitment and positivity.
- Flexibility and multitasking.
- Delegation and trustworthiness.

Outdoor team building activities formed part of the training.

The event was a success, enhancing the students with confidence as they serve.

INTERNATIONAL UNIVERSITIES FAIR

On Thursday 11th Sept. 2025 Senior high campus hosted the International universities' Fair organized by IDP, at our school Multipurpose Hall (MPH).

The event was a remarkable success, showcasing the diverse opportunities available for students to further their education. We were honoured to welcome universities from four countries: Canada, the USA, Australia, and the UK. A total of 11 esteemed institutions participated in the fair, providing students with invaluable insights into their academic programs and campus life.

We were also privileged to host 23 students from other schools who attended the fair.

Students had the opportunity to engage with representatives from each institution, ask questions, and gather informational materials to assist them in making informed decisions about their future studies. The fair also included several informative sessions where experts discussed application processes, scholarship opportunities, and student life in different countries.

This event not only broadened our students' horizons but also strengthened our relationships with these prestigious universities.

Senior High

AUSTRALIAN UNIVERSITY

On Thursday 25th September 2025 Oshwal Academy Nairobi - Senior High hosted the Australian universities' Fair organized by Koala, in the school Multipurpose Hall.

A total of 13 esteemed institutions participated in the fair, providing students with invaluable insights into their academic programs and campus life.

Students had the opportunity to engage with representatives from each institution, ask questions, and gather informational materials to assist them in making informed decisions about their future studies.

The fair also included several informative sessions where experts discussed application processes, scholarship opportunities, and student life in different countries.

KAIS UK FAIR

On Thursday 25th September 2025 Oshwal Academy Nairobi - Senior High hosted the Australian universities' Fair organized by Koala, in the school Multipurpose Hall.

A total of 13 esteemed institutions participated in the fair, providing students with invaluable insights into their academic programs and campus life.

Students had the opportunity to engage with representatives from each institution, ask questions, and gather informational materials to assist them in making informed decisions about their future studies.

The fair also included several informative sessions where experts discussed application processes, scholarship opportunities, and student life in different countries.

Senior High

THE 16TH KAIS RHINO CUP DEBATING CHALLENGE ROUND 1

The Rhino Cup Debating Challenge Round 1 was held on 24th September 2025 at Crawford International School against Oshwal Academy Nairobi - Senior High. Our school team were opposing the motion.

The debaters performed exceptionally well and emerged victorious in this first round. The students demonstrated excellent teamwork, preparation, and critical thinking throughout the debate.

The participants were;

- Paraag Sahoo (13B) – 1st Speaker.
- Yash Karia (12A) – 2nd Speaker.
- Sanvi Shah (13B) – 3rd Speaker.
- Nadia Kendi (12C) – Reserve.
- Anusha Gupta (12G) – Assisted 3rd Speaker.
- Ruhi Shah (13D) – Assisted 2nd Speaker.
- Sarah Asmeron (12G) – Assisted Reserve.

INTERHOUSE DEBATE COMPETITION ROUND 1

On 24/9/25, Senior High campus hosted a highly successful inter-house debate competition, bringing together the four houses: Emerald, Topaz, Ruby and Sapphire. All the houses presented compelling arguments, showcasing their research and critical thinking skills.

The debaters demonstrated impressive rebuttal skills, challenging each other's stance effectively and delivering a well-structured argument that was highlighting their understanding of the topic. The team members showed exceptional teamwork, working together seamlessly to present their case and demonstrated a high level of enthusiasm.

Emerald competed against Topaz where Topaz won, while Sapphire contested against Ruby and Sapphire House emerged the winners. The debates were adjudicated by a panel of experienced teachers, who praised the participants for their exceptional debating skills, critical thinking, and teamwork.

The inter-house debate was a resounding success, providing students with a valuable opportunity to develop their public speaking, critical thinking, and teamwork skills. Congratulations to the winning houses and all participants for their outstanding performance. We wish the teams all the best in the coming round 2.

PEER COUNSELLING MENTORSHIP PROGRAM AT ST. PAUL BOYS SCHOOL

On September 27, 2025, a mentorship program was conducted at St. Paul boys School, Maragua.

This initiative aimed to equip the mentee students with the knowledge and tools to better understand themselves and improve their personal development.

Simultaneously, the student mentors had the opportunity to cultivate their counselling skills and learn new dynamics related to team management fostering teamwork and leadership qualities among the student mentors.

The students engaged in self-awareness activities focusing on personality types and thought the session, the student mentors gained critical skills in counselling and learned how to effectively lead and support a diverse group of students.

The mentorship program achieved its primary objectives of fostering self-awareness among the participating girls and developing counselling and leadership skills in the student mentors. Special thanks to all participant mentors for their enthusiasm, commitment to the program and the devotion to serve the community at large.

PRESIDENT'S AWARDS - KENYA CLUB MEMBERS TRAINING

On Wednesday, 17th September 2025, participants underwent a comprehensive training session focused on essential outdoor skills in preparation for their upcoming practice journey.

The training covered:

- Map Reading: Understanding topographical maps, route planning, and identifying key landmarks.
- Compass Reading: Learning how to take bearings, orient maps, and navigate terrain using a compass.
- Navigation Techniques: Integrating map and compass skills for accurate movement and route execution.
- Pre-Journey Preparation: Safety protocols, equipment checks, team coordination, and emergency procedures.

This session was to arm our students with required skills and preparation before practice journey. The session was interactive and hands-on, allowing participants to build confidence and competence in the field.

Senior High

SPORTS DEPARTMENT

Sports play a role in improving physical fitness, enhancing overall health and foster mental and emotional well-being increasing self-esteem.

The students have engaged in various sporting activities and this promotes their holistic development.

Head's message

The start of a new academic year is often accompanied by a sense of anticipation and excitement for both learners and their parents. At Oshwal Academy Mombasa (OAM), this season of new beginnings has been embraced with optimism, driven by a shared hope for a more productive, engaging, and impactful year.

September has been a month of meaningful experiences, laying a strong foundation for academic growth and holistic development. In academics, learning across the school has been both enriching and inspiring. Kindergarten students engaged in thematic learning under the IEYC framework, exploring the fascinating world of plants.

In Junior School, creativity and innovation took centre stage as Year 3 learners constructed models of economic development using LEGO, enhancing both conceptual understanding and problem-solving skills. Senior High students have had the opportunity to explore future academic pathways through visits from international universities. These sessions not only provided

guidance on career options but also supported learners in crafting compelling personal statements for university applications. To further promote STEM, OAM hosted Young Scientists Kenya, while also launching STEM and Robotics lessons to spark curiosity and equip learners with essential skills for future STEM careers. Co-curricular activities have also added significant value to the learner experience.

The Annual Prize Giving Day stood out as a key highlight, offering a moment to celebrate both individual excellence and the school's continued legacy of educational achievement. In the realm of entrepreneurship, Oshwal emerged as the 2025 Craydel Cup Champions with their innovative project Soap Cycle—an eco-conscious initiative that transforms used cooking oil into biodegradable soap. This inspiring project not only addressed environmental concerns but also earned its creators—Shaine Dodhia, Anita Gadani, and Rishard Tahir—100% scholarships to Griffith University in Ireland. Parent Orientation sessions earlier in the term also provided a platform for engagement and collaboration, reaffirming the vital role of stakeholders in supporting student

wellbeing and success. In sports, the term has kicked off with exciting momentum. The Sports Department has been actively involved in Aquathlon and cricket competitions, alongside introducing Golf for Beginners, which has already seen enthusiastic participation. A particularly notable event was the inter-school Chess Workshop conducted by Mr. Johny Shah. This interactive session provided learners with advanced strategies, from mastering opening moves to endgame tactics, while also allowing students from both Senior and Junior School to apply their learning in live games. It was a celebration of strategic thinking and mental agility.

As we reflect on a vibrant and impactful start to the academic year, it is clear that our learners are being equipped not just with knowledge, but with the confidence, creativity, and character needed to shape a better future. At OAM, the journey of excellence continues—guided by purpose, inspired by innovation, and driven by a shared commitment to holistic education.

Ms. Mildred Aseyo
Head of School
Oshwal Academy Mombasa

Welcome back to school

The 2025–2026 academic term is officially underway! Our campus came alive with joy as students reunited with friends and teachers. Teachers guided our excited Year 1 pupils, the eager Year 7 and confident Year 8 students to their new classes, setting the tone for an incredible year of learning, growth, and unforgettable memories.

A special warm welcome to all our new students — we're so proud to have you join our community.

Celebrating International Literacy Day

OAM marked International Literacy Day 2025 under the theme "Promoting Literacy in the Digital Era." Early Years (PG–KG3) enjoyed storytelling sessions at the Senior School Library, read by senior students. Junior School created word clouds from their favourite stories and explored how to stay safe online.

Senior School engaged in essays, poster designs, and debates on the digital era, reflecting on the role of e-learning. The day highlighted literacy as the foundation of lifelong learning and digital responsibility.

Kofi Annan once quoted "Literacy is a bridge from misery to hope."

Playgroup Entry Point; Powerful Plants

Our little learners had a day full of discovery—singing plant songs, exploring real flowers and leaves, and even planting their very own green gram seeds! They'll be watching them sprout right on the classroom windowsill. With colourful handprint crafts and an engaging video on how plants grow, it was a fruitful day of hands-on learning and excitement!

Annual Prize Giving Day

On 20th September 2025, our school hosted its much-anticipated Annual Prize Giving and Speech Day at the Multi-Purpose Hall, under the theme “A Legacy of Excellence in Education.” The event was a vibrant celebration of student achievements across academics, sports, leadership, and the arts, showcasing the holistic development that defines our institution.

The afternoon commenced with a flag-raising ceremony, followed by an impressive Guard of Honour led by our esteemed OERB Chairman, Mr. Suhash Ratilal Shah. This symbolic opening set a tone of dignity and pride for the proceedings.

In keeping with tradition, the programme began with the lighting of the diva, symbolizing knowledge and enlightenment. This was followed by a captivating Shiv Tandav performance and a soulful Ganesh devotional dance,

both of which embodied the spirit of culture and devotion while highlighting the artistic talents of our students.

The day unfolded with heartfelt speeches, the presentation of awards, and moments of pride as students were recognised for their dedication and excellence.

From academic honours to extracurricular accolades, each award reflected the diverse strengths of our learners. Parents, staff, and distinguished guests joined in applauding the remarkable efforts and milestones of our school community.

The 2024–2025 Prize Giving Day was not merely a recognition of achievement but a celebration of values, discipline, and inspiration — a true testament to the school’s commitment to nurturing future leaders and sustaining a proud legacy of excellence in education.

Kindergarten Aunties Assembly

Our very first KG Assembly of the academic year was full of joy, laughter, and music as our dedicated school aunties welcomed the little ones with lively songs and captivating performances.

Our delighted toddlers joined in for the final dance with smiles and giggles. A memorable beginning to a year filled with learning, fun, and togetherness.

KG 1N - A Garden of Learning

Our KG 1N learners turned their assembly into a blooming celebration!

They took to the stage with a delightful Flower Fashion Show, each child dressed as a different flower, showcasing the beauty of nature's colours, shapes, and scents. The performance was filled with lively songs about how plants grow and a charming poem about a little worm, bringing the wonders of the garden to life. What a vibrant way to learn and share!

KG 1 Entry Point 'Powerful Plants'

KG1 kicked off their new IEYC unit "Powerful Plants" with an exciting Entry Point!

The learners began their journey with a virtual garden visit, exploring a variety of plants and flowers. They then enjoyed a lively discussion on how seeds are planted and nurtured into beautiful plants. Each child proudly brought in their own flower seedling, adding a personal touch to the experience.

To deepen their learning, the children coloured a vibrant sunflower and wrapped up the day with a joyful photo booth session, capturing their excitement and curiosity.

What a wonderful start to discovering the world of plants!

KG 2 EXPLORE PARTS OF A PLANT

KG2 kicked off their new IEYC unit “Powerful Plants” with an exciting Entry Point! Learners came dressed in brown and green, bringing along plants or pictures from home.

They explored the parts of plants, shared ideas on how they grow and why they matter, and enjoyed hands-on activities—sorting roots, stems, leaves, and flowers. The day ended with creative crafts, including beautiful flower headgear to take home.

KG Reception N Assembly

Our Reception N learners took the stage with confidence as they presented a delightful skit, “From a Tiny Seed to a Big One.”

Through expressive lines, joyful songs, and lively acting, the children brought to life the magical journey of how a tiny seed transforms into a strong and beautiful plant.

This wonderful performance not only launched our new unit on Plants but also nurtured confidence, teamwork, and creativity in our young learners.

Year 3 Constructing Economic Development with LEGO

Our Year 3 learners brought economic development to life in their Humanities lesson by building with LEGO bricks! Using their creativity and imagination, the students designed different types of work found in our local area — from community services to industries — and explained how each one contributes to improving quality of life.

Through this hands-on learning experience, our young “Master Builders” showcased how innovation and collaboration can construct a brighter future.

Junior School Clubs and House Meets

Our Junior School students engaged enthusiastically in their clubs — some channeling their inner architects in the LEGO room, constructing imaginative structures, while others explored their artistic side through spray painting, eagerly awaiting their vibrant masterpieces to dry. Meanwhile, the field came alive with energy as Ruby and Sapphire learners faced off in a thrilling tug of war, testing their strength and teamwork. On the pitch, Tozap and Emerald battled it out in the sport of cricket, showcasing true sportsmanship and house pride.

OAM Craydel Cup Champions

Oshwal Academy Mombasa celebrates its brilliant students — Team Soap Cycle — who emerged victorious in the Craydel Cup 2025, an interschool business competition bringing together top talent from Kenya and Uganda!

Their project, Soap Cycle, transforms used cooking oil into eco-friendly soap — reducing pollution, fighting climate change, and promoting hygiene in communities. This innovation doesn't just clean hands, it helps clean the planet! Huge congratulations to Shaine Dodhia, Anita Gadani and Rishard Tahir for their creativity, teamwork, and entrepreneurial spirit that set a new benchmark for youth leadership across East Africa.

OSHWAL ACADEMY MOMBASA CRAYDEL CUP 2025 CHAMPIONS!

Oshwal Academy Mombasa celebrates its brilliant students — Team Soap Cycle — who emerged victorious in the Craydel Cup 2025, an interschool business competition bringing together top talent from Kenya and Uganda! Their project, Soap Cycle, transforms used cooking oil into eco-friendly soap — reducing pollution, fighting climate change, and promoting hygiene in communities. This innovation doesn't just clean hands, it helps clean the planet! Huge congratulations to Shaine Dodhia, Anita Gadani and Rishard Tahir for their creativity, teamwork, and entrepreneurial spirit that set a new benchmark for youth leadership across East Africa.

OAM Hosts IDP University Fair

An enriching day at OAM, as we proudly partnered with IDP to host a dynamic University Fair! With 8 universities from the US, UK, Ireland, Canada, and Australia, the event offered our students and parents a gateway to diverse academic opportunities and future-ready choices.

From courses and scholarships to career pathways, the fair was a true launchpad for dreams beyond borders.

Year 7's Sharing Stories, Sparking Imagination

Our Year 7 students turned their library lesson into an interactive storytelling session! Each student proudly introduced the title and author of the fiction book they borrowed, then captivated their classmates with a short summary.

It was more than just book-sharing—it was about confidence, communication, and a love for stories.

A wonderful way to inspire each other to read beyond the pages!

Women in STEM & YSK Presentation Day

Our Young Scientists Kenya (YSK) / Women in STEM session went beyond inspiration—it gave our students a clear roadmap into the world of STEAM!

From understanding STEAM as a creative, interconnected framework to learning how classroom knowledge can solve real-world challenges, the session opened doors to innovation. Students gained practical guidance on YSK competitions—registration, project development, mentorship, and evaluation—turning apprehension into excitement.

Hearing powerful success stories of young Kenyan innovators tackling issues like environmental conservation and public health gave our learners relatable role models and a renewed belief in their own ideas.

PERSONAL STATEMENT TRAINING FOR YEAR 12 AND 13

Our Year 12 & 13 students took part in a transformative Personal Statement Writing Training led by the Uniserv Mombasa Team—a vital step in their university preparation journey.

This session empowered them to:

- ✓ Present their strengths with confidence
- ✓ Communicate their passions and aspirations effectively
- ✓ Craft statements that resonate with top university admissions teams
- ✓ Take ownership of their academic and career goals

At OAM, we are committed to equipping our learners with not only knowledge, but also the practical tools and guidance they need to access world-class opportunities. This training brings them closer to securing placements at leading universities worldwide.

JEREMY MWAMISI REPRESENTS KENYA IN FEASSA GAME

Students Power Through during Aquathlon Weekend

Our student-athletes gave it their all during the AKAMOM Aquathlon over the weekend. The athletes put up a strong performance.

From start to finish, the event was executed with precision, and our team showed grit, endurance, and competitive spirit.

Results Recap:

- Under 10/11 Years – 1 Silver Medal (Individual).
- Under 6/7 Years Girls Relay – 2 Bronze Medals.
- Under 6/7 Years Boys Relay – 2 Silver Medals.
- Under 10/11 Years Girls Relay – 2 Gold Medals.

With these stellar performances, OAM secured 4th place overall out of 7 schools.

A big congratulations to all our swimmers and runners for leaving it all out on the course—you've done us proud!

Chess Workshop for OAM Budding Talent

Our school hosted an engaging Chess Workshop led by Mr. Johny Shah, bringing together 15 students from both Senior and Junior School.

The workshop was a great opportunity for our budding chess players to sharpen their opening moves, strategize their middle-game, and master endgame techniques. Learners explored the history of chess, gained insights on avoiding draws and stalemates, and focused on winning check-mate strategies.

To crown it all, participants squared off against each other across the board—turning theory into practice!

Oshwal Academy Mombasa

Senior School Interhouse Tournaments

What a week of sports fever at our Senior School Interhouse Tournament!

The boys' cricket clash (Years 7-9) saw Sapphire House shine bright, scoring a commanding 27 points, while Ruby House battled hard to finish with 15 points.

On the girls' rounders field, it was a game of grit and glory — Topaz House swung to victory with 4 points, edging out Ruby House at 2.5 points. Meanwhile, Sapphire House powered through with 4 points against Emerald House's 2. To top it off, the Senior School boys spiked up the energy in a thrilling friendly volleyball match against their teachers — a true showdown of experience vs. youthful energy!

Introducing Golf into Our Sports Programme

We're thrilled to introduce golf into our school's sporting activities! Our junior golfers teed off their very first session with great enthusiasm, learning the fundamentals of grip, stance, and swing.

They also got a sneak peek into the world of clubs, which they'll soon be driving, chipping, and putting with confidence.

From the tee box to the green, this new sport is set to expand our learners' horizons, building confidence, focus, and precision.

Rising Stars at the Crease U11 Cricket Tournament

OAM U11 boys' and girls' cricket teams put up a spirited performance at the AKAMOM fixture!

Boys Team: Posted 36 runs with 4 wickets.

Girls Team: Knocked 54 runs with 5 outs.

Though victory wasn't ours this time, the grit, teamwork, and fighting spirit on the pitch showed we're building a strong side for future wins. With sharper batting strokes and tighter wicket-taking strategies, the best is yet to come.

Head's message

As the July-December semester progresses, I extend my deep appreciation to our students, staff, parents, and guardians for your remarkable work in driving Oshwal College toward a bright future. Your collective efforts create a thriving community dedicated to academic and personal growth.

I am delighted to announce that the exam results for the BTEC, ABE, CHRP, and degree programmes have been released, with students achieving exceptional results. These outstanding performances reflect their dedication and our faculty's unwavering support, underscoring Oshwal College's commitment to academic excellence.

With the semester in full swing, our faculty and staff continue to work tirelessly to prepare students for their upcoming mid-semester and final exams, ensuring they are well-equipped to excel and advance in their academic journey.

Building on our academic achievements, Oshwal College remains committed to providing globally recognized qualifications and fostering international education. On July 20th, 2025, we hosted an inspiring Degree Programmes Open Day, welcoming prospective students to explore our prestigious undergraduate offerings.

The event showcased two flagship programmes: The Bachelor of Arts (Hons) Business Administration, in collaboration with the University of Hertfordshire (UK), and the Bachelor of Science (Hons) Computing, in partnership with the University of Greenwich (UK). Visitors toured the campus, engaged with faculty, and gained insights into the global opportunities these programmes offer, highlighting our dedication to shaping future professionals through world-class education. Beyond academics, our students have engaged in meaningful extracurricular activities that nurture essential soft skills such as leadership, teamwork,

communication, problem-solving, and time management. Notable highlights include corporate visits to Centurion Systems Limited, Baker Tilly, and KAPA Oil Refineries Limited, as well as the BSc students' summer school in the UK, the BTEC students' team-building event at Oshwal Centre, and charity visits to Missionary of the Poor and Bethsaida Homes. These activities complement academic learning and prepare students for real-world challenges.

Our commitment to fostering a vibrant, inclusive community was evident during our annual Culture Week, whose theme was "Celebrating the Beauty of Our Diversity." The week featured a rich array of activities showcasing the diverse cultures within our campus. Students displayed their talents, traditions, and creativity through performances, artwork, and exhibitions. The celebrations also included photography, a soccer tournament for high schools, track races, and a variety of indoor and outdoor games. The week culminated in Awards Day on September 19th, 2025, where students were recognized for their outstanding achievements in these activities.

As we continue to champion academic excellence and well-rounded growth, I urge all students to stay focused in their studies while also participating in enriching activities outside the classroom. While academic demands may be intense, carving out time for creative, social, and cultural pursuits is equally vital. These out-of-class engagements nurture critical life skills such as leadership, collaboration, and resilience, which will empower you far beyond your college years.

"If you think your best days are behind you, they are. If you think your best days are ahead of you, they are." — Jon Gordon, motivational author and speaker

Oshwal College

Oshwal College Degree Programmes Day

On July 20th, 2025, Oshwal College hosted an inspiring Open Day, welcoming prospective students eager to explore its prestigious undergraduate programmes.

The event spotlighted two flagship programmes: the Bachelor of Arts (Hons) Business Administration, offered in collaboration with the University of Hertfordshire (UK), and the Bachelor of Science (Hons) Computing, offered in partnership with the University of Greenwich (UK).

Visitors had the opportunity to tour the campus, engage with faculty, and gain first-hand insight into the academic excellence and global opportunities these programmes provide.

New Student and Parent Orientation

Oshwal College held its Day Students' Orientation for the semester on 30th July 2025, bringing together new students, their parents, and key members of the institution.

Parents keenly following the career advice presentation

Peter Hombe, Head of Counselling and Corporate Affairs, delivering his presentation

The event was graced by the Principal, the Senior Management Team, and Departmental Heads, who warmly welcomed attendees and introduced them to the college's academic environment. Students were guided through essential information to ease their transition into campus life. Following the orientation, parents engaged in one-on-one discussions with Departmental heads, gaining valuable insights into their children's academic journey and expectations. The event fostered a strong foundation for collaboration between the college, students and their parents.

The 9th edition of Oshwal College Cultural & Awards Week (OCCAWE)

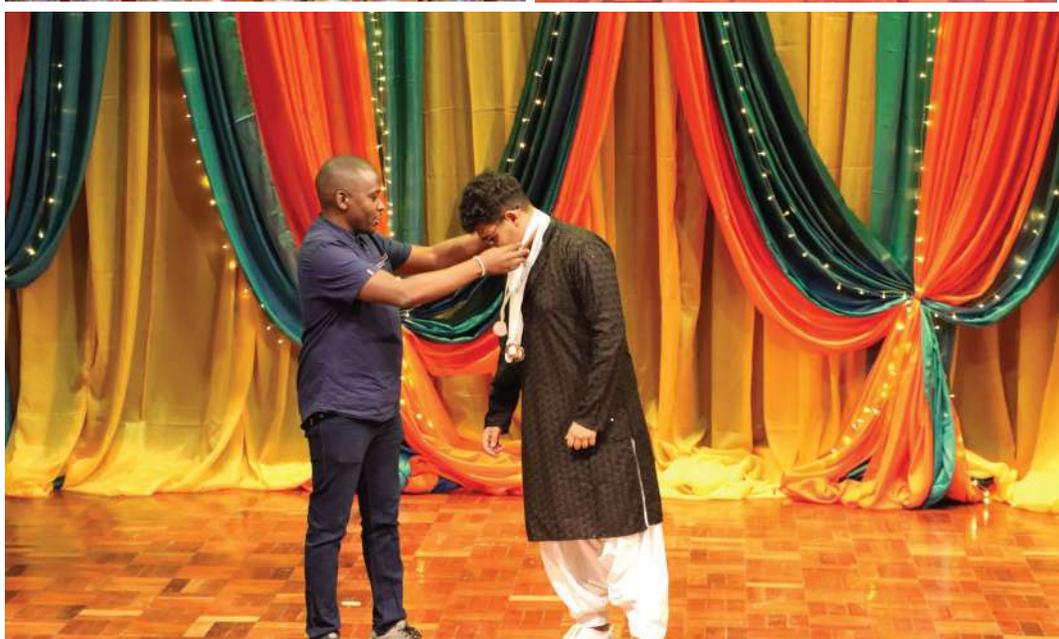

The 9th edition of Oshwal College Culture & Awards Week (OCCAWE) was held from September 15th to 19th, 2025. The annual event, under the theme "Celebrating the Beauty of Our Diversity," aimed to honour the rich diversity among students, faculty, and staff, while providing a platform to recognize and reward excellence in extracurricular activities, student leadership, and cultural initiatives.

The event also promoted awareness and appreciation of cultural differences on campus, encouraging students to actively participate in out-of-class pursuits. Throughout the week, students, staff, and participants from various high schools took part in a range of vibrant activities, including dance performances, indoor competitions, track events, and a soccer tournament.

Wednesday stood out as a particularly memorable day, as students, staff, and invited alumni came together for a spirited showcase of athleticism and camaraderie. The day featured a variety of games and sports, including track events, short-distance races, soccer matches, and lively outdoor challenges such as tug of war. From every corner came laughter and applause, weaving a vibrant tapestry of joy, unity, and celebration.

The final day, Friday, September 20th, 2025, was dedicated to entertainment and the awards ceremony, where outstanding students were recognized for their achievements across multiple categories.

Special appreciation goes to the organizing team led by Mr. Joel Wainaina, Dean of Students, along with the College Management and Oshwal College Student Association (OCSA) leaders.

Oshwal College Inter-high Schools ICT, Business, and Accounting Contest

Oshwal College hosted its Annual ICT, Business, and Accounting Contest on September 18, 2025, under the theme “Shaping Tomorrow’s Leaders through Cutting-Edge Skills.”

Over 250 students from various schools, joined by industry professionals, convened at the college’s campus to compete in three key areas: Accounting, covering financial analysis, taxation, and auditing; Business, focusing on strategy, entrepreneurship, and ethics; and ICT, highlighting innovations in programming, cybersecurity, and digital transformation. St. Christopher’s won the ICT category, Lukenya Schools triumphed in the Business segment, and Oshwal Academy Senior High claimed victory in the Accounting category.

Oshwal College Management team and the entire Oshwal College fraternity congratulate all the students who had the courage to participate. We also thank the Principals and teachers of the schools that took part.
